

MECO Proposes New "White Way" For Gettysburg With Modern Lights, Higher Bill

The Metropolitan Edison Co. Monday evening proposed to borough council at its July meeting in the engine house that it replace the present "White Way" in the center of town with a new system using "color corrected mercury vapor" lamps similar to the experimental one installed some months ago on the pole on Baltimore St. beside the Plaza.

Edward H. "Pete" Blettner of the Hanover office of the Metropolitan Edison, who served as spokesman for the company, apologized for "delaying 18 months in making our report after you had asked us for plans for a new decorative light system in the center of town."

He said the delay had been caused "because we want you to have the best system anywhere, and after much study we have come to believe that the color corrected mercury vapor lamp is the best."

None In Center Plot
At present, the center of the town has 46 lamps in its "White Way," each with a power of 4,000 lumens. Its cost to the borough is \$205.44 a month.

The new system would consist of 42 color corrected mercury vapor lamps 30 feet above the highway each of 20,000 lumen power. Blettner said, "We do not propose to put any lights in the center plot in Lincoln Square because we believe someday the center plot will be a thing of the past."

The new system however would provide more light in the center plot than the present system, even though no lights are there. Blettner said.

Bill Will Be \$535 Monthly
Each of the 42 new lights would be placed on a metal pole individually. Blettner added, "They would be either aluminum or steel poles. We believe steel. We have aluminum in Hanover and too many of these wide cars are hitting the poles and denting them and you just can't straighten the dents out. We believe steel poles will serve better."

Cost of the installation was estimated at \$26,000. The cost of the new system to the borough will be \$535.22 a month.

In response to questioning he said the system proposed for Gettysburg "is better than the new system at Hanover," and added that if the new system is installed here it will be the first of its kind in this section.

Turned Over To Committee
He added that the proposed installation contemplates underground conduits now installed for ground conduits to provide the power, similar to the present system. Some of the conduits now installed for the town's "White Way" would be used for the new system.

In response to questioning he said that use of overhead wiring rather than an underground system would probably be cheaper.

Council President H. M. Oyler turned the matter over to the light committee of council and asked its chairman, Harold Ecker, and members of his committee to confer with Metropolitan Edison officials on the costs of the system with overhead wiring as compared to use of underground wiring, and also the cost of a system similar to the one in Hanover, and report back to council at its next meeting with recommendations.

Red Cross Helped On "Swim" Program

The Adams County Red Cross chapter reported today "excellent response" to 150 letters mailed last week to businesses in all sections of the county from which swimming class pupils come. The letters asked donations of funds to help cover the cost of the summer water safety program.

This year's "learn to swim" program by the county Red Cross chapter is the most extensive ever conducted. Chairman George W. Naugle said. With the 1958 fund campaign nearly \$7,000 short of its goal of \$17,000, the chapter is in financial straits with its summer program.

Donations received in response to the letters total about \$60 so far and range in amount from \$3 to \$20 each, Naugle said.

Elderly Woman Fractures Hip

Mrs. Pius Hemler, 71, Taneytown, has been admitted to the Warner Hospital after suffering a fracture of her hip in a fall Monday. Her condition is reported as satisfactory.

Clyde Orner Jr., 23, Benderville, an employee of A. B. Seifert and Son, York, was treated Monday for a laceration of the scalp.

Mrs. Helen Shafer, 57, Harrisburg, received treatment Monday for second degree burns of the left forearm suffered last Friday.

UNICEF Given \$25 By Local Bible School

The Adams County UNICEF committee expressed its appreciation today for a \$25 gift received from the daily vacation Bible School conducted by the Gettysburg Presbyterian and Methodist Churches at the Presbyterian Church School building. The school was held from June 9 through 20.

The \$25 gift to UNICEF came from offerings made by the children during the two-week session. UNICEF funds aid children throughout the world.

CODE VIOLATORS
The following recently forfeited fines in Westminster on motor code violation charges: William K. Peters, Gardners, \$11.45, exceeding 50 miles per hour; Lee David Foreman, Taneytown, \$10 and costs, operating without a license, and \$10 and costs, fraudulently altering information on license; Albert M. Barnhart, Taneytown, \$6.45, inadequate muffler; Franklin R. Reaver, Taneytown, \$25.45, overweight.

TOWN STAYING WITHIN LIMIT OF ITS BUDGET

Gettysburg has spent a little less than half the amount it has budgeted for the year, according to the report of Borough Treasurer John H. Bashore at Monday evening's meeting of council at the engine house, E. Middle St.

Bashore reported expenditures of \$62,402.20 through June. The town's budget for the year is \$127,000.

During the first six months the council has spent \$5,882.95 for general government; \$23,563 for protection to persons and property; \$843.39 for health and sanitation; \$16,981.13 for highways; \$9,700.77 for miscellaneous purposes and \$5,430.96 for electricity.

Spent \$17,869 In June
Three-fourths of the amount allocated for miscellaneous was spent last month when the town paid \$5,800 for the lot it has purchased on W. Middle St. and \$500 to the state as a token payment for the traffic survey made by Pennsylvania.

During June expenditures totaled \$17,869.74 including \$1,850.58 for general government; \$5,358.05 for protection to persons and property; \$30 for health and sanitation; \$3,290.89 for highways; \$6,359.13 miscellaneous and \$691.07 for electricity.

Expenditures exceeded income during the month by approximately \$3,000. Income was \$14,878.75 of which \$2,217.28 represented parking meter collections for June; \$57 from justices of the peace; \$7,635.90 from tax collector J. Herbert Weikert; \$2,387.46 from Burgess Wilbur Plank; \$100 meter rent from Cloyd Shetter, and \$19.01 from a lien.

Get State Check
The balance on hand as of Monday was \$17,731.01, and the town received some additional funds immediately. Secretary Mrs. Wilmer Drachman turned over to the treasurer a check for \$10,440.90 received from the state Monday as highway aid. The check represented 90 per cent of the amount to be given the town.

LIONS RECEIVE PRIZE CHECK

The Gettysburg Lions Club was presented with a check for \$50 at its weekly dinner meeting Monday evening at the Shelter House by Harold Ecker, chairman of last year's special activities committee.

The check represented the money won by the club float in the Fourth of July parade here last Friday. Ecker's committee was in charge of preparing the float. He thanked the committee and all who helped.

Vice President Richard A. Polkenroth presided at the meeting in the absence of President John C. Stahl and Vice President Douglas W. Smith, who left Monday for Chicago and the Lions International convention. They were accompanied by the Rev. Charles E. Held, a former Lions' district governor, and Cloyd Shetter, also of the local club. Wives of the four Lions accompanied them to Chicago.

Convention reports will be received next Monday and the July 21 meeting is being planned for the "Rec" park. Program Chairman E. J. Nowicki said. There will be the annual family picnic August 18 and meetings will be held July 28 and August 11, he said.

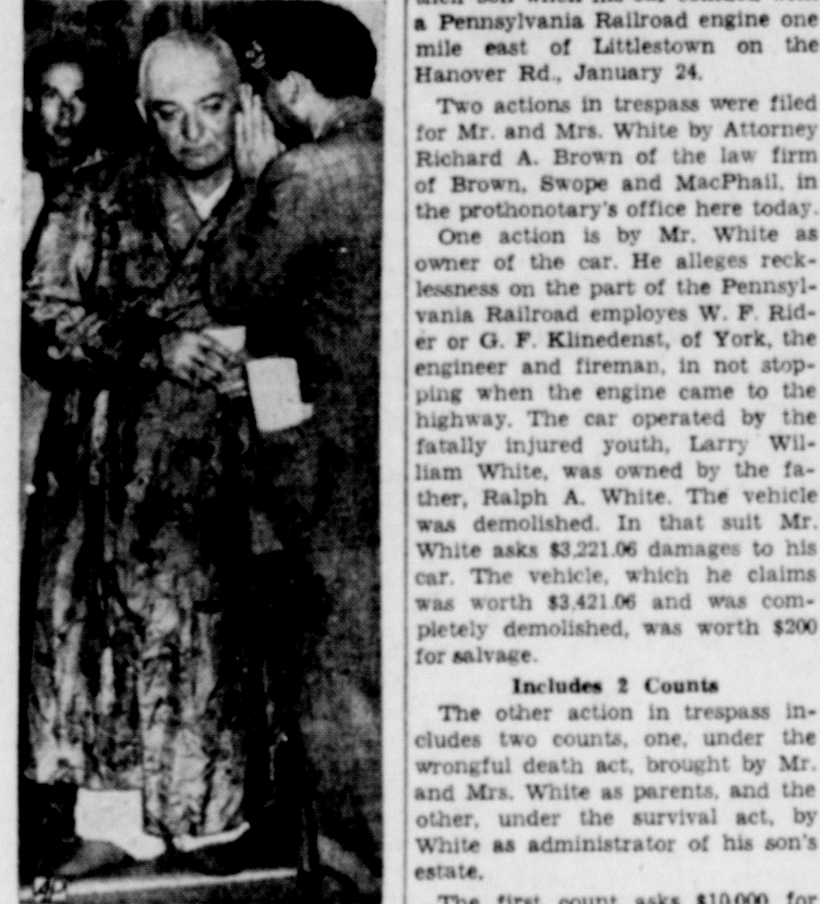

Thomas J. Winebrenner, a member of the club, was at Monday's meeting, the first he has attended since fracturing a hip in a fall months ago.

The clubmen stood in a moment of silent tribute to Dr. William O. Duck, club member who died suddenly recently.

PLAN FAMILY PICNIC
The Gettysburg Optimist Club will hold its first family picnic Friday evening at 6:30 o'clock at the former CCC camp site on W. Confederate Ave.

Early Confab

Bernard Goldfine listens to an aide, Jack Lott, during a whispered conference early Monday in the doorway of the Boston Industrialist's hotel, suite in Washington. Earlier, Goldfine aides claimed an attempt had been made to eavesdrop electronically on their hotel suite. In background is Goldfine's son, H. Maxwell Goldfine. (AP Wire-photo)

DAVID BLOCHER IS INSTALLED AS ROTARY HEAD

David Blocher, owner of Blocher's Jewelry Store, Chambersburg St., was installed as president of the Gettysburg Rotary Club at its meeting Monday evening at the YWCA.

Other officers installed included Attorney John A. MacPhail, vice president; Dr. Frederick Tilberg, secretary; Calvin Shank, treasurer, and Julian Estep, sergeant-at-arms.

Dr. Robert Bloom, of the history department of Gettysburg College, the speaker of the evening, told of the historical significance of the Civil War and the hopes to establish a Civil War Institute at Gettysburg College.

Has Greater Significance
"The Civil War has a significance for our present time, even greater than the battles fought, and the heroism of the men, and even greater than the significance to us of the battle here at Gettysburg."

"For the Civil War ended with the union preserved and that is the world's greatest protection today. Our nation today is the bulwark of the free world. It could not have grown into the great nation that it is if the Civil War had ended with two nations—the U.S.A. and the Confederate States of America, where only the United States exists."

SENTENCED DELAYED
Ray P. Becker, East Berlin R. 1, pleaded guilty in York County court Monday to failing to stop at the scene of an accident, but sentencing was delayed for a check on the penalty policy set earlier this year by Judge Walter I. Anderson for this offense.

A first offender, Becker offered proof all damages had been paid and paid \$150 on account toward whatever fine the court assesses.

One-day Postponement Given Goldfine By Harris Committee

WASHINGTON (AP)—The Harris subcommittee granted Bernard Goldfine a one-day postponement in testimony today but warned, "We are going to expect cooperation."

Rep. Oren Harris (D-Ark.), chairman of the subcommittee investigating the gift-giving Goldfine's relations with federal officials, gave this reply to a request from Goldfine's attorneys for a postponement.

Attorney Roger Robb said his Boston millionaire client came to Washington Sunday to prepare to answer committee interrogators again but had gone into "a state of physical and mental exhaustion" after a chain of spectacular events Monday.

No Time To Prepare
Robb told the subcommittee at 10 a.m.—when Goldfine himself was supposed to have returned to the witness stand—that the discovery of a hidden microphone near a hotel suite occupied by Goldfine aides and theft of some of Goldfine's papers Monday had left Goldfine with little sleep and given him no time to bone up on committee questioning.

Former Local Woman's Badly Beaten Body Is Found In Car Trunk At Hanover; Quiz Hubby

State police at York this afternoon were questioning the husband of a 38-year-old woman, believed to have been a former resident of the Gettysburg area, whose badly beaten body was found at 10:35 o'clock Monday night stuffed in the trunk of a car parked near a diner a mile south of Hanover.

Richard H. Hahn, Penn. Twp., York County police chief, identified the dead woman as Mrs. Jessie Jean Light of Penn Twp., rear of John St., Hanover. An autopsy is being performed at the York Hospital to determine the cause of death.

Arrested At Diner
Capt. Stanley S. Smith, commander of the state police barracks at York, identified the man in custody as Francis Norman Light, aged about 40.

Smith said the body of Light's wife was found in the back of a car owned by Gary Light, 21-year-old son of the man by a previous marriage.

"Francis Light was taken into custody for questioning and no charges have been filed," Smith emphasized.

Chief Hahn said the man was apprehended at the same diner in front of which the car with the dead woman's body was found.

"The man's son told police that night that his father had told him that he killed his stepmother," Smith told, a newsman. "Police hunted for the car and then found the body in the trunk."

Lived In Trailer
He said the woman, Mrs. Jessie Jean Light, was badly beaten about the head and "some blood flowed from leg wounds."

The couple and the son resided in a trailer parked in Penn Twp. about a mile south of Hanover. The car was found parked near a diner about a mile from the borough limits of Hanover.

Moved There Recently
Residents of Johns St., Hanover, said the Light family had moved into the area recently.

Locally a Francis N. Light, with four children by a prior marriage and a wife named Jessie Jean Light, moved into the Gettysburg R. D. area about four years ago.

For a brief time they operated a (Continued On Page 2)

SOUR CHERRY SEASON OPENS AT MUSSELMANS

The C. H. Musselman Company's 1958 cherry season opened Monday with the start of the cherry season at the Biglerville plant. Despite unseasonable weather in June, cherry harvesting in the area is starting at about the normal time.

The regular, two-shift operation is providing seasonal employment for several hundred local workers in addition to the thousands required for the harvest in county orchards.

The Musselman Company announced an opening graduated cherry price schedule with 8 1/2 cents per pound for top grade. The price is based "on a comprehensive analysis of the current and prospective market on canned and frozen cherries and compares favorably with an 8 1/4-cent price proposed recently by a Cherry Producers Marketing Cooperative composed of growers from Michigan, Wisconsin, Ohio, New York and Pennsylvania," a company official said.

60 Pct. Crop Here
Cherry processing at the company's Inwood, W. Va., plant started on July 1 with all the cherries being packed in 30-pound containers for quick freezing. Ultimately the frozen cherries will be used for the manufacture of cherry pie fillings, or as an assortment of ready-to-serve pie fillings. In sharp contrast to other cherry producing areas, West Virginia reports one of the largest crops in recent years.

Due mainly to cool, rainy weather during the pollinating season, Adams County growers are expecting about a 60 per cent crop. However, the light set is expected to be partially offset by improved sizing. The USDA estimate for the Pennsylvania crop is 9,000 tons, only about three per cent lower than last year and five per cent below average.

Crop estimates for the five Great Lakes States, New York, Pennsylvania, Ohio, Michigan and Wisconsin, the major cherry producing area in the country, closely parallel the predictions for Adams County: 42 per cent below the 1957 crop and 32 per cent below average.

Much of the decline was due to freeze damage in the mid-Western states. In the far western states, which produce only approximately 15 per cent of the total crop, production is expected to be near normal.

Flying Sparks Bring Fire Co. To Foundry

Operation of a foundry led to a false alarm for the Greenmount Fire Co. at 4:30 o'clock this morning.

Fire Chief Paul L. Plank Jr. said a passing motorist saw the flames flying from the stack of the new aluminum factory established by John Goehm in Greenmount, and in the darkness "though a barn was a fire in the distance."

The motorist pushed the siren button outside the Greenmount fire house and when firemen arrived was waiting to direct them to where he saw the fire.

Firemen also saw sparks and flames flying, and, while aware of the existence of the factory near Null's store, investigated. They found that metal was being placed in the furnace, causing the sparks and fire.

One-day

(Continued From Page 1)

own investigator most of the afternoon behind closed doors, then unanimously accepted his resignation from the \$16,300-a-year post.

Condemns Eavesdropping
The subcommittee strongly condemns this eavesdropping which occurred without its knowledge, Harris declared.

But the legislators hinted someone had trapped Shacklette into being indiscreet. They demanded an inquiry by the Justice Department, the FBI and the Washington, D.C., police.

Their statement issued through Harris after a five-hour session also applied to the second big surprise from the Goldline camp:

Goldline's bookkeeper, the blonde Miss Mildred Papernan, reported some of her boss' bank records, correspondence and other documents were stolen from her hotel room. The material was brought from Boston for the subcommittee probe but it was not immediately clear how much of it was important to the investigation.

Shacklette acknowledged staying in three different rooms at the Sheraton-Carlton Hotel over the past eight days, all next to rooms where Goldline or his entourage stayed.

But Shacklette swore to the congressmen that he had neither stolen the Goldline records nor transcribed any confidential information overheard from the Goldline group. He said what he did hear was not worth recording.

Former Local

restaurant along the Fairfield Rd., near Gettysburg, and then Mr. Light and his son, Gary, were employed for a time at the Eisenhower farm. Gary Light lost his employment there and the father quit and joined the Bethlehem Mining Co., then doing drilling operations in the area.

The family resided at the David Plank apartments along the Taneytown Rd., later on a Spring farm near Barlow, then along the Baltimore Pike before joining the husband in the State College area where he was with the drilling crew about a year ago. The family was originally from West Virginia.

Weddings

Deardorff-Seibert

Miss Doris M. Seibert, daughter of Mr. and Mrs. Merle Seibert, Hanover, and Franklin R. Deardorff, 508 York St., Hanover, formerly of Gettysburg, were united in marriage at 2 p.m. June 14 in Trinity United Church of Christ, Hanover. The Rev. Dr. Howard E. Sheely, pastor of the bride, officiated at the double-ring ceremony.

Mrs. Lewis Gobrecht was the soloist and Mrs. Robert Flickinger presided at the organ. The bride was given in marriage by her brother, Richard Seibert.

The bridesmaid was Miss Barbara B. Anthony. Edward H. Snyder 4th, Hanover, nephew of the bridegroom, served as best man.

A reception was held in the social hall of the church immediately following the ceremony with approximately 60 guests in attendance. Upon their return from a week in the New England States and a week at Rehoboth Beach, Del., the newlyweds will reside at 508 York St. in Hanover.

Mrs. Deardorff was graduated from the Eisenhower Senior High School and St. Joseph's Hospital School of Nursing, Baltimore. She is a member of the nursing staff of the Hanover General Hospital. Mr. Deardorff is supervisor of Snyder's Sales and Service.

Stoner-Meyer

Miss Elizabeth Ann Meyer, daughter of Dr. and Mrs. Howard M. Meyer, Kitchener, Ontario, Canada, became the bride of John Richard Stoner, son of Mr. and Mrs. John W. Stoner, Mercersburg R. 2, recently in Waterloo, Ontario.

Rev. Delton Giebel officiated at the ceremony at Saint John's Lutheran Church, Waterloo, on Saturday, June 14.

Mrs. Stoner attended Gettysburg College and graduated from Frances Payne Bolton School of Nursing in Western Reserve University, Cleveland, Ohio.

Mr. Stoner graduated from LeMaster High School and Gettysburg College where he was president in his senior year of Phi Delta Theta fraternity. Following graduation, he was commissioned as a second lieutenant in the Army in which he served two years at Fort Bliss, Texas and Fort Sheridan, Ill.

The couple will reside in Hagerstown.

STOCK MARKET MIXED

NEW YORK (AP)—A few issues made some fairly wide moves in an otherwise narrowly mixed stock market early this afternoon.

Trading was moderately active, falling off from a brisker pace in early dealings.

Changes of most leading stocks were fractional.

The market was uneven from the start as it ran into heavy supplies of stock following an eight-day rise in the averages which has brought the list once more to new peaks for 1958.

Wall Street analysts said the market was due for a period of consolidation.

Social Happenings

For Social News Phone Gettysburg 1248 or 640

Frank J. Barbehenn, Rochester, N. Y., is visiting with his brother, "Uncle" Ed Barbehenn, on N. Stratton St.

Mr. and Mrs. William Unger and children, Charlene and Dennis, Biglerville Rd., spent Sunday with Mr. and Mrs. Oscar Shafer and family, Middletown, Md. Accompanying the Ungers to her home was Miss Judy Shafer who had been visiting her cousin, Charlene, last week.

Dr. and Mrs. Wyman C. Rutledge and children, Nancy and Paul, were recent guests at the home of E. Elizabeth Rutledge, Baltimore St. Dr. Rutledge is a research physicist with the Meade Paper Company in Chillicothe, Ohio.

Those members of the Chi Omega Alumnae planning to attend the production of the Toleen Pole Playhouse on Wednesday evening are requested to meet at the home of Mrs. Wilbur Plank, 123 Springs Ave., at 7:45 p.m.

A Ladies' Day tournament will be held at the Gettysburg Country Club today. Tomorrow the ladies will play a match with the Hanover women at the Hanover Country Club in Abbottstown.

Mr. and Mrs. Richard Altomose and children, Tommy and Eddie, Howard Ave., and Mrs. Edward S. Plank and son, Eddie, Highland Park, drove to Washington, D. C., today to meet Mr. Plank who returned today from Saigon, Viet Nam, by plane.

Mrs. George Neely, York, spent several days last week with her son and daughter-in-law, Mr. and Mrs. Henry Neely, Seminary Ave.

The Annie Danner Club will meet this evening at the YWCA at 7 p.m. for a treasure hunt and watermelon party.

Mr. and Mrs. Clarence Kitzmiller, Fredonia, N. Y., and Miss Ruth Kitzmiller, Philadelphia, spent the holidays with Clarence and Ruth Kitzmiller's parents, Mr. and Mrs. R. B. Kitzmiller, W. Middle St.

Fourth of July guests at the home of Mr. and Mrs. J. P. Cox, W. High St., were Mr. and Mrs. Raymond Lingg of York. Guests at the Cox home today were Mrs. Edward Mulbern and daughter, Mary Ann, of Atlantic City, N. J. Mrs. Mulbern is a niece of Mrs. Cox.

Salome M. Stewart Tent will meet this evening at 8 p.m. in the GAR post room.

Mr. and Mrs. Richard Friese and family, Wink, Tex., are visiting Mr. and Mrs. Henry Neely, Seminary Ave., and Mr. and Mrs. Kenneth Sites, Fairfield. Mrs. Friese is a niece of Mrs. Neely and Mrs. Sites.

Mr. and Mrs. Eugene Utech and children, Susan and Ann Elizabeth, Confluence, returned home Sunday afternoon after visiting for ten days with their parents, Mr. and Mrs. Frank Roehrer, Lebanon, and Mrs. H. C. Utech, E. Middle St.

Rev. and Mrs. Jesse S. Hangen and sons, David and Peter, have returned to Arlington, Va., following a visit with Rev. Hangen's mother, Mrs. J. S. Hangen, Barlow St. Pastor Hangen, who has served as associate pastor of Resurrection Lutheran Church, Arlington, will become pastor of Luther Memorial Lutheran Church, Blacksburg, Va., on July 15. Part of his duties there will include a ministry to Lutheran students on the campus of Virginia Polytechnic Institute.

Mr. and Mrs. Robert B. Swisher and daughter, Roberta Carol, College Campus, have returned home after spending a vacation in the New England States.

Mrs. William B. Martin, Akron, O., returned home after spending a week with Mrs. Luther McDonnell, W. Middle St.

Miss Sherri Deitz, daughter of Mrs. Paul F. Sterner, has returned to her home on the Harrisburg Rd. after a week's vacation in New Jersey.

James Dove and Evelyn Evans, Ammit, W. Va., were recent guests at the home of Mr. and Mrs. Bobby Dove, N. Washington St.

Mr. and Mrs. John Fleschman, R. 1, had as their guests over the fourth of July Mr. and Mrs. George Barry, of Dayton, O.

Mr. and Mrs. Joseph Cunningham and family, Wilmington, Del., left Monday after spending the holidays with Mr. Cunningham's mother, Mrs. Kathryn Cunningham, Harrisburg Rd.

Mr. and Mrs. H. A. Milley, Florham Park, N. J., spent the weekend with the latter's mother, Mrs. Elsie Kessel, R. 4. On Sunday they attended a family picnic at Caledonia Park with Mr. and Mrs. L. W. Kessel and children, Mr. and Mrs. Samuel Kessel and children, Mr. and Mrs. Charles Sherman, Mrs. Thekla McColl and children, Mr. and Mrs. Eugene Johnson and children, and Mr. and Mrs. Ernest Johnson and children.

of Philadelphia, Mr. and Mrs. Milley returned to Florham Park Monday evening.

Mrs. George F. Eberhart was hostess to the Soroptimist Gavel club at a dinner Monday evening at Hotel Altland, Abbottstown. The favors were small boxes of imported note paper and the dessert included a decorated cake in honor of Mrs. Donald E. Myers who was observing her birthday.

The Blue team of the Soroptimist International club, losers in the year's attendance campaign, will entertain the Gold team this evening at 8 o'clock at the Peace Light Inn. Mrs. Elizabeth Henning, chairman, will preside. The secret sisters' identities will be revealed with the presentation of final gifts and sisters for the present year will be assigned by Mrs. S. A. Burton.

Dr. and Mrs. Frank H. Kramer, W. Broadway, have returned home after spending two weeks at White Sulphur Springs, W. Va.

DAVID BLOCHER

(Continued From Page 1)

And perhaps had the Confederacy succeeded there would be even more than two nations taking up the territory that is now the U. S. for the forces that divide were turned back by the forces that unite in our war from 1861 to 1863, and so America became great among all nations as a result of the Civil War.

Speaking of the college, Dr. Bloom observed, "This is a dream of ours, to establish a Civil War Institute at our college here, an institute where distinguished scholars will study aspects of the war and its relation to our present times as well as to its own time, a place where records can be kept and letters and information and publications can be put out. Our first task is to interest distinguished scholars in such a center and our Civil War conferences are doing that. Next we will need money—perhaps \$2,000,000."

DEATHS

Brother Loyola Roder

Word has been received of the recent death of Brother Loyola Roder of the Xaverian Order who was assigned to the staff of Paradise Agricultural School, Abbottstown, when it opened as Paradise Proctery in 1911.

Brother Roder was a native of Jersey City, N. J. He spent many years teaching boys in high school in Baltimore and was prefect of Mt. St. Joseph School when he marked his golden jubilee of entrance into the Xaverian Order last winter. Funeral services were conducted in Baltimore.

Mrs. Joseph B. McClain, Mrs. Laura Anna McKenrick McClain, 77, widow of Joseph B. McClain, died Monday at 3:30 a.m. in St. Anne's Home, Columbia R. 2, where she had been a guest several months.

Mrs. McClain had resided with her daughter, Mrs. Donald Caldwell, Wrightsville.

Mrs. McClain was born in Orlan and was the daughter of the late Andrew and Elizabeth Baker McKenrick.

Surviving also are two sons, Joseph A. and James McClain, both of York; two other daughters, Mrs. Edward Fischer, Columbia, and Mrs. John E. May, Aspinwall; 13 grandchildren and three great grandchildren, and these brothers and sisters, Leo, John and Paul McKenrick and Mrs. Albert Clapsaddle, all of Orlan; James McKenrick, Chambersburg, and Mrs. Frank Sowers and Mrs. Gertrude Emmons, both of Martinsburg, W. Va.

Funeral services Thursday at 8:30 a.m. at Etzweiler Funeral Home, Wrightsville, with a requiem high mass at 9 a.m. in St. Mary's Holy Mother of Purity Catholic Church, Wrightsville. Burial in the adjacent cemetery. Officiating will be Rev. Raymond Dougherty, assistant pastor of St. Mary's Church.

Joseph B. Myers

Joseph B. Myers, 90, York, died at 7:30 p.m. Sunday at York Hospital. He leaves his widow, Cora Paup Myers; two daughters, Mrs. Helen Hendricks, Phoenix, Ariz., and Mrs. Curvin Auchey, York; a son, Joseph A. Myers, York, and a grandchild. He was a native of Adams County.

William Beacon, of God's Truth Church in Home, will conduct the funeral at 2 p.m. Wednesday at the Robert Koiler Funeral Home, 2000 W. Market St., York Interment in Greenwood Cemetery.

BURY MRS. BLUBAUGH

Funeral services were held this afternoon at 2 o'clock for Mrs. Annie M. Blubaugh, 83, who died Saturday afternoon at 12:25 o'clock. The Rev. Dr. H. W. Sternat officiated at the services at the Bender Funeral Home. Interment in Greenwood Cemetery. Pallbearers were Martin Miller, James Hikes, Francis Thomas, Harry Kime, Ernest Miller and Amby Harper.

130, commercial cows 21.50-22.50, slaughter steers 22.00-25.50, stockers and feeders 25.75-27.75. Calves 20, good to choice 28.00-32.00. Hogs and sheep, zero, no market.

Palm Springs, Calif., which was

a sun baked Indian camp 50 years ago, is now a swanky resort with a winter population of 50,000.

NEW PLANNING

(Continued From Page 1)

Engineer Weinbrenner said he didn't want council to "make the building code any more drastic, I catch enough hell now." The present ordinances pertaining to building were said to be the minimum requirements of the state fire underwriters.

Following the discussion Naugle withdrew his motion that the work begin and \$500 be allocated to it, and the discussion was abandoned.

Burgess Urges Action

Letters from the Retail Merchants Association and the Gettysburg Chamber of Commerce recommending that the town erect signs showing motorists how to get to "off street parking" centers were read but no action was taken.

Burgess Plank in his written report held that state law provides that vehicles loading and unloading must park within six inches of the edge of a highway or curb, unless they are vehicles which "because of type or construction cannot load or unload parallel to the curb." The state law's penalty is from \$2 to \$10 or imprisonment of no more than five days. He urged adoption of ordinances providing for loading and unloading zones and banning double parking "thus motorists who double park would be subject to a less severe penalty than that imposed by state law."

Council took no action on the suggestion.

There was considerable discussion about government cars parked overtime at the ten-minute parking zone on E. High St. The Burgess was asked to "straighten the matter out."

Variety Of Complaints
Discussion of unrepaid sidewalks led to decision to send a second notification to those who have not as yet completed repairs.

Burgess Plank reported on complaints by residents of trains standing 20 minutes or more across the Fourth St. crossing, and of trains coming into the crossing without warning. He urged conference with the Western Maryland Railway to have signs and lights installed "not later than the scheduled opening of the Eisenhower Elementary School," which is expected to increase vehicular traffic on Fourth St. north of York St.

Councilman Naugle suggested that the first parking meters at each intersection be made a 30-minute meter to expedite movement of traffic. He said it would permit "150 more visits to business places of our town each day." All meters in the square are now one hour meters; elsewhere the meters are for two hours.

To Number Meters

A request from residents of E. Broadway that the street be partially blocked because of the dust arising from the streets now being used by construction workers at the new school, led council to decide it could not block the streets, but it held it could enforce an ordinance providing against "dirtying up the streets."

Council authorized numbering of all the parking meters in town to help make identification of those out of order easier. Approval was given to payment of \$34 for a transcript of a recent traffic seminar for use in study of the town's traffic problems.

That the lone tree remaining in the central portion of the town is "in danger" again was indicated at the council meeting. The tree, located at the Dougherty and Hartley store on Baltimore St., has been a source of contention previously. When plans were underway to remove it before, there were many complaints from people who held that, as a last surviving tree of what once was an area with many trees, the tree should be retained.

Councilmen on the other hand have heard many complaints from motorists who hold that their cars are scraped by the tree as they vibrate to park or that their vehicles are subject to "aerial damage."

Burgess Plank's report regarding possible removal of a tree in front of the Dougherty and Hartley Dry Goods Store, Baltimore St., was turned over to the chairman of the Highways committee.

Councilman Glenn Guise started to ask about the tree at council meeting and was "shushed" by some other members.

ARRESTED AS DISORDERLY

Clyde Miller, 4th St., was arrested by borough police about midnight Monday on a disorderly conduct charge filed by Janet Corell, 37 Chambersburg St., before Justice of the Peace John H. Bashore. Miller was jailed in default of bail for a hearing later this week.

WILL PROBATED

The will of Clarence W. Myers, late of Huntingdon Twp., was entered for probate in the office of register and recorder this morning naming Nellie Ruhlman and P. E. Coulson, executrix and executor, of the \$6,225 estate.

Palm Springs, Calif., which was a sun baked Indian camp 50 years ago, is now a swanky resort with a winter population of 50,000.

Mrs. J. Ralph Stoner and Mrs. Ernest Unger, Biglerville, have returned home after spending two weeks in California and Arizona. Mrs. Stoner visited her uncles and aunts, Mr. and Mrs. William Rouzer, Whittier, Cal.; Mr. and Mrs. Howard Bowers, Monte Bello, Cal., and Mr. and Mrs. Charles Reed, Escondido, Cal.; her son-in-law and daughter, Mr. and Mrs. Charles Harper Jr., Phoenix, Ariz., and Mr. and Mrs. Glenn Taylor and family, San Bernardino, Cal. Mrs. Unger spent the two weeks with her son-in-law and daughter, Mr. and Mrs. Robert Mackley, and family, San Diego, Cal. They traveled by air.

Mr. and Mrs. Woodrow Combs and children, Cleo, Betty and Donnie, Augusta, W. Va., spent the holidays with Mr. and Mrs. Albert Heare, Bendersville, brother-in-law and sister of Mr. Combs, and with other relatives in the community.

The Bendersville Community Garden Club will meet Wednesday evening at 8 o'clock at the home of Mrs. Clyde Orner, Bendersville. The subject will be "Dried Flowers."

Dr. and Mrs. Harold Heiges and children, Dale, Jean and Robert, were overnight guests Sunday with Dale Heiges, Biglerville. They were enroute from San Francisco, Cal., to their home at Chevy Chase, Md. In San Francisco, Dr. Heiges attended the American Medical Association convention.

The Church Choir of Flohr's Lutheran Church, McKnightstown,

will rehearse at the church at 7:30 o'clock Wednesday evening.

SAYS U. S. COULD LOSE COLD WAR

WASHINGTON (AP)—The administration told Congress today that unless it restores a House cut of \$325,000,000 in money for overseas economic development loans, the United States "could lose the cold war by default."

Under Secretary of State C. Douglas Dillon suggested, in effect, that Congress might consider scrapping the fund entirely if it refuses the 625 million dollars President Eisenhower asked for the Development Loan Fund.

"This reduction raises a question not merely as to the scale of fund operations," he told the Senate Appropriations Committee, "but as to whether there should be a fund at all."

"It would deprive the fund of any real prospect of achieving the purpose which Congress intended the fund to fulfill."

Dillon spoke at a closed session of the committee as the administration opened its fight to restore total cuts of \$597,500,000 the House made below authorized spending previously approved by Congress in the recently-enacted foreign aid bill.

STATEHOOD IS UP TO ALASKA

WASHINGTON (AP)—Statehood for Alaska now is up to the Alaskans themselves. And President Eisenhower almost forgot it.

He signed the Alaskan statehood bill Monday and commented: "Okay, now that's 49 states."

But he quickly corrected himself and said, "No, maybe we don't do that until the plebiscite."

That was a reference to a provision in the bill requiring all Alaskans to vote whether they accept immediate statehood and terms of the bill itself.

Voting on acceptance, plus election of national and state officers, are the last remaining steps before issuance of a presidential proclamation—probably in December—formally admitting Alaska to the union.

Eisenhower urged Congress anew to admit Hawaii as a state during this session.

"I personally believe that Hawaii is qualified for statehood equally with Alaska," he said.

COLLECTORS ITEM

GRANGEVILLE, Idaho (AP)—Park Manager Carl Hager, an old hand at retrieving bottles, banana peels and such from the Grangeville municipal swimming pool, has made a startling new addition to his collection.

At the bottom of the pool he found a thoroughly soaked and apparently harmless stick of dynamite.

STRANGE YARMITS

PEVELY, Mo. (AP)—Farmers in this area won't believe their eyes if they happen to spot a couple of critters on the loose in these parts.

A truck carrying an animal shipment to Chicago overturned, and two coatiomonds escaped. They're cousins of the raccoon family, but have long snouts that gives them an appearance similar to that of the anteater.

OPPORTUNIST

DARLINGTON, S. C. (AP)—Lightning struck a ground wire and set James Waldron's rural store afire. The fire burned out the store's stock.

And while the fire was burning, somebody stole more than \$100 from the cash drawer and a brand new \$15 hat.

MISSING PLANE SAFE

ELMIRA, N. Y. (AP)—An Army observation plane which was reported overdue on a flight from Camp Drum to Harrisburg, Pa., has landed safely at Chemung County airport.

Airport officials said the L20 pulled into the airport Monday night at 9:20 p.m.

Thundershowers southwest of Elmira reportedly forced the landing.

HOLLYWOOD (AP)—Roberta Linn, the singer who was Lawrence Welk's original "Champagne Lady," is home after a two-week hospital stay. Miss Linn, ill with a chest infection, was on the critical list for a time. A spokesman said she'll rest several weeks before resuming her career.

BILLINGS, Mont. (AP)—Six Blackfoot Indians have been stricken by polio during the past week, and Indian Health Service officials fearful of an epidemic ordered a mass vaccination campaign. Dr. Charles S. McCammon said plans are under way to inoculate some 4,000 of the Blackfoot reservation's 4,500 Indians.

Pfc. Guy L. Livingston, son of Mrs. C. A. Crawford, Gardners R. 1, is now stationed in Greenland. He receives his mail as follows: Pfc. Guy L. Livingston, US-52439403, 124 T. Co., 7th, SVC, 11 T. Bn., APO 123, New York, N. Y.

Littlestown MISS CROUSE LEAVES FOR EUROPE TOUR

Miss Elizabeth Anne Crouse, daughter of Mr. and Mrs. Lloyd E. Crouse, Lumber St., left New York today by plane for a seven-week tour of Europe. Miss Crouse, a senior at the Pennsylvania State University, is traveling with a group of 141 students from the University on an "Art and Architecture Seminar."

The purpose of the seminar is to enable the students to study the art and architecture of different countries. Lectures will be held with foreign students and famous architects from the different universities, and the group will concentrate on the features in London's new building program.

The itinerary of the tour consists of the following countries: England, Belgium, Holland, France, Italy and Germany. Highlights of the trip will be the World's Fair, Munich Opera Festival, the Riviera, and the Eastern Sector of Berlin.

Brownies, Scouts Camping
Sixty-six local Brownies and Girl Scouts are participating in the annual week of day camp now being conducted at Camp Happy Valley, near Fairfield. The total number of girls enrolled in the camp is 138, with the troops from Bonneauville and St. Francis Xavier Parish, Gettysburg. The intermediates will camp out on Tuesday night and the other troops will have overnight camps at different times. A program will be presented by the girls on Friday afternoon.

Mrs. Donald W. Fair is the camp director, and local leaders assisting are: Mrs. Carroll E. Arter, nature study; Mrs. John Gentzler and Mrs. Alvin J. Groft, nurses; Mrs. James H. Spalding and Mrs. Charles W. Simons, arts and crafts; Mrs. John H. Flickinger, Mrs. Earle J. Black and Mrs. George Schaefer, unit leaders; Mrs. John Kump and Miss Betty Wallack, music.

By BEN BURROUGHS

"TAKE TIME"

We know that time is precious . . . in fact it's paramount . . . and so it is we always try . . . to make each moment count . . . for wasted time is wasted life . . . as far as I'm concerned . . . and many times I wish I had . . . the minutes that I burned . . . for once a second has elapsed . . . it is forever gone . . . time will never hesitate . . . it just rolls on and on . . . with this fact constantly in mind . . . folks run from place to place . . . seldom ever taking time . . . to ready for the race . . . this torrid pace of living . . . makes most of us forget . . . that life is made of work and play . . . and not just endless sweat . . . although each day is filled with . . . so many hills to climb . . . we all would be much better off . . . if we would just take time.

The Littlestown High School Gold Band will have rehearsals for the next four weeks Tuesday evening instead of Monday. Rehearsals will be held at 7 p.m. on July 8, 15, 22 and 29 in the music room at the high school.

Mr. and Mrs. William Richardson and children, William and Patricia, Massapequa, N. Y., spent the holidays with their parents, Mr. and Mrs. Edward T. Richardson Sr., E. Myrtle St.

The Littlestown minor league players will have practice on Wednesday at 6:30 p.m. on the community playground.

Redeemer's News

"Four Kinds of Beauty" was the subject of the sermon delivered by the Rev. Glenn Plimchough, pastor of Redeemer's United Church of Christ, on Sunday evening in the Crouse Park pavilion. The Scripture, Psalm 61, was read by the Rev. William R. Jones, pastor of Centenary Methodist Church; prayer offered by the Rev. William C. Karns, pastor of St. John's Lutheran Church. Mrs. George A. Stoner, Redeemer's Church organist, presided.

Littlestown NEW METHODIST PASTOR MOVES, BEGINS DUTIES

The Rev. William R. Jones has assumed his duties as new pastor of Centenary Methodist Church, and he and Mrs. Jones moved into the Centenary parsonage, E. King St., last week from Reedsville. He succeeds the Rev. Rodney T. Yates, who was transferred to the Charlotte Western North Carolina Conference in the spring.

The Rev. Mr. Jones holds the unmatched record of having the longest continuous term of service at one place—18 years on April 19 at the Reedsville Methodist Church—of any minister in the Central Pennsylvania Methodist Conference.

sided at the console for the congregational singing. At the conclusion of the worship, the benediction was pronounced by the Rev. Charles B. Rebert, retired minister of the Reformed Church.

The outdoor worship will be held in the park pavilion again next Sunday at 7 p.m. The Rev. G. Howard Koons, pastor of Christ United Church of Christ, will be in charge, and other members of the Littlestown Ministerium will participate.

The July meeting of the Littlestown Fish and Game Association, Inc., will be held at 8 o'clock on Wednesday evening in the Fish and Game clubhouse, near town. Refreshments will be served by Edgar Pfeiffer and William Wherley.

Home From Vacation

Mrs. David Sentz, chairman, Mrs. Fred Rudisill, Mrs. Charles Schneider, Mrs. Columbus Schneider, Mrs. Calvin M. Sentz Jr. and Miss Barbara Sentz comprise the program committee for the monthly meeting of the Ladies' Aid Society of St. Luke's Union Church, near White Hall, at 8 p.m. tomorrow.

An important meeting of the executive board of the Junior Women's Club of Littlestown will be held at 8 p.m. on Wednesday at the home of the president, Mrs. Robert R. Reinman, 346 E. King St.

Mrs. Roberta Buddy and daughter, Marie, N. Queen St., and sister, Mrs. Mae Jacob, Baltimore, have returned home from a vacation trip. Three weeks were spent with Mr. and Mrs. T. C. Parker Jr., Tampa, Fla., and Mr. and Mrs. H. E. Speilbring, Snell Isle, St. Petersburg, Fla. During the past week, they spent some time with Mrs. Duddy's and Mrs. Jacob's brother, J. Edwin Lyvers, Columbus, Ohio. Mr. Lyvers, formerly of Littlestown, is seriously ill.

which recently concluded its 90th annual session at Carlisle. He has preached four times each Sunday for the past 18 years in serving the churches at Reedsville, Milroy, Shrader and Bellsville. Under his leadership the combined membership has grown from 500 to 771. Exclusive of vacations, he missed only six Sunday at filling the pulpit, four for illness and two for inclement weather.

Since entering the ministry in 1916, he has served at six stations: Two years at Shawville and five years at Lumber City, both in Clearfield Co.; seven and a half years in Benton, Columbia Co.; five and a half years at Millintown; four years at Newport, and 18 years at Reedsville. By choice he has stayed in rural service and most of his work was in that field. In his early days in the ministry, he walked to church, a seven-mile round trip in the morning to Goshen and a like distance in the afternoon to Egypt, both in Clearfield Co.

Was Schoolman

Having served with many groups in a wide field, the Rev. Mr. Jones is a past president of the Mifflin County Round Table of the National Conference of Christians and Jews; a charter member and past president of the Reedsville Lions Club; past president of the Juniata Valley Methodist Ministerium; president of the United Churches of Mifflin County; originator of the leadership training program of District 1 of the Mifflin County Sabbath School Association; he organized the first community vacation Bible school in Milroy and a similar group in Reedsville and assisted in Belleville.

In his earlier life he taught school and prior to entering the ministry was principal of the Gregg Twp. school at Spring Mills in Centre Co. During World War II and immediately afterwards, he taught for a number of years in area high schools serving in Melroy, Reedsville, Belleville and McVeytown.

The Joneses have six children, all living away from home. A daughter, Miss Esther Jones, was consecrated deaconess at the same conference where her father took the retirement status. She is serving at Vashit School in Georgia.

Reception Held

For 18 years Mrs. Jones has taught the same group of women in Sunday School. She is past president of the Women's Society of Christian Service and is currently serving as treasurer of the Mifflin County Girl Scout Council as well as the committee group of the same organization in her hometown.

The Rev. Mr. Jones has no thought of permanent retirement. His late father, the Rev. Dr. R. Raymond Jones, an Evangelical and Reformed minister, took the retirement relations at 75 but continued to serve two churches as pastor until a year before his death at 93.

The congregation of Centenary Church held a reception in honor of the Joneses on Sunday evening at the church. The program was as follows: Song service with Mrs. Elmer E. Furlow as accompanist; devotions led by Melvin Houston; greetings extended to the new pastor and his family by Elmer G. Miller Sr., chairman of the board of trustees; Mrs. Chester S. Byers, superintendent of the Children's Department; Mrs. Bertha Shull, president of the Woman's Society of Christian Service; Thomas E. Kerns, president of the Methodist Men's Club; Ralph R. Rugles, charge lay leader; Chester S. Byers, treasurer, and James Brown, president of the Methodist Youth Fellowship. The Rev. Mr. Jones remarked briefly, "He's Got the Whole World in His Hands" was sung by the Junior Choir. Refreshments were served to those present by the WSCS. Included in the receiving line were the Rev. and Mrs. Jones and daughter, Esther.

Real Fun Playground

CLEVELAND (AP) — Here's a fun playground where children can live it up:

No swings, gym bars or sand boxes. Instead, it will have a 16-foot sewer pipe, a section of railroad track, a flower garden without an off-limit sign, a play street with traffic signals.

Plans for the experimental playground to be built in suburban Lyndhurst Park by a Kiwanis Club, were presented Monday night to Lyndhurst City Council, which granted permission to use a 130-foot area in the park.

Work will begin in the fall and be completed by next summer.

COURT OKAYS

(Continued From Page 1)

sold June 27 to Harold D. and Wilma Jean Crawford at public sale for \$4,800. The sale was contingent upon payment of mortgages, judgments and costs and a clear title given. The report shows a mortgage of \$1,715 was paid off.

Hear Support Cases

Also paid was a judgment of \$1,336.48 plus various court costs leaving a balance of \$1,397.46 for distribution, or \$698.73 for each of the divorced parties. The court confirmed the report "nisi," with the matter to be confirmed absolute July 21 if there are no objections by that time.

Thomas Frederick Fitzberger, Gettysburg, R. 1, was directed to pay \$15 per week for the support of his wife, pay the costs and enter into a bond of \$500 on his own recognizance following a hearing. Harry R. Carson, Fairfield R. 1, was directed to pay for braces and special medicines and for a television set, but a support order of \$40 per week continued in force following a hearing on a request for change of the order.

The desertion and non support case against Raymond W. Kopp, Hanover, was continued for six months, to be dismissed at that time if there is no further action in the case.

Lawrence E. Baker, New Oxford, was ordered to pay \$20 per week for the support of his wife and child following a support hearing and was also directed to pay the costs and post the usual bond on his own recognizance.

Fruit Employees Are Injured In Accident

Three Puerto Rican employees at the Peters Fruit Farm, Gardeners R. 1, were treated at Carlisle Hospital dispensary on Saturday after being involved in an accident on Route 94, according to the hospital report.

They are Francisco Je Jestir, fractured ribs and chin lacerations; Peter Lozada, contusions and abrasions of the hand, and Angelo Marquis, abrasions and contusions.

Admitted to the hospital with a leg fracture, apparently suffered in the same mishap, is Miss Mary Casey, Gardeners R. D. Edward Gutliene, Gardeners R. D., was treated for a finger fracture and discharged. State police were not called to investigate the accident.

We sometimes wonder what cats and dogs think of people.

Auctioneer: Clair Slaybaugh

Orrtanna

ORRTANNA — Mrs. Ruth Spence and Mrs. Althea March were hostesses to the WSCS of the local Methodist Church at the July meeting in the Methodist Church hall. There were 16 members present. The Misses Susan and Patty March were guests.

The meeting was opened, by the president, Mrs. March followed by prayer by the vice president, Mrs. Mary Tressler. Mrs. Margaret King and Mrs. March participated in a discussion on "The World Federation of Methodist Women" followed by a song entitled "God Bless Our Native Land" by the group. Scripture and the closing prayer were given by Mrs. Bertha Shulley. Mrs. Mary Biesecker won the gift package. Mrs. Mary Biesecker and Mrs. Louise Biesecker will be hostesses for the next meeting August 7. There will be a social hour and refreshments after the meeting.

Mrs. Ruth Deardoff, Robert Boyd, Kenneth Ross and Jerry Deardoff, attended funeral services on Saturday in Martinsburg, W. Va., for Ivan Boyd, a county native and brother of Mrs. Deardoff and Robert Boyd. Mrs. Mary Eyer, Bislerville; Mrs. Bessie Wolford, this place, and Mrs. Nellie McGlaughlin, Gettysburg, are also sisters of the deceased.

Mr. Boyd was a son of the late James and Annie (Baker) Boyd of this vicinity and went to Martinsburg about 40 years ago. Mrs. Boyd, the former Veda Fowler, died two years ago. Five children and a number of grandchildren also survive Mr. Boyd. Mr. Boyd who died Wednesday night from a complication was in ill health and bedfast for some time. He was 73.

Mr. and Mrs. Raymond Pepple, Son, Lowell, and Mr. and Mrs. Henry P. Fissel and son, Jeffrey, spent Sunday with relatives in Hagerstown.

Second Lt. Herbert A. Wetzel returned to Fort Dix, N. J., Sunday evening after spending Independence day and the weekend with his parents, Mr. and Mrs. Dale Wetzel. Russel Baker of Willard, Ohio, is spending a vacation with his cousins, H. B. Baum, Mr. and Mrs. Mark Baum, and other relatives.

Mrs. George Neely and sons, John, James and Mark, returned to their home in York after a vacation with her parents, Mr. and Mrs. J. E. Spence, and other relatives.

SICKLES QUILTS

(Continued From Page 1)

having been elected for the camp and to give details of the activities there.

Fitz said the youths attending the state-wide camp operated by the American Legion are divided into "political parties" and conduct an election for "state offices" and "local offices."

Accept New Members

The camp trains youths in the operation of their local, state and national government by actually going through an election and filling the offices at a model "senate," "town council" etc. Fitz concluded, "I would say that any boy in the Commonwealth who gets a chance to go to Keystone Boys' Camp should take it. It is a most worthwhile experience and will teach the boy just what he should know about his government." State officials, FBI members, judges and others gave talks at evening sessions of the camp on the operation of their offices.

Amendments to the constitution and bylaws of the state American Legion, to be voted upon at the convention to be held at Philadelphia this month, were read. Following the reading, the post voted to send its delegates "uninstructed."

Adjutant William T. Timmins Jr. reported that applications for the term life insurance now offered by the American Legion nationally are now available at the stag bar in the Legion home. New members accepted into the post Monday were William L. Chamberlain, 60 Chambersburg St.; Robert Coffield Jr., 14 Baltimore St.; Horace C. Moul, Hanover; James Martin, Fort Ritchie; Gunars, V. Zagars, 50 W. Broadway; Joseph W. Kiser, 116 South St., and O. Dale Powner, Red Patch Ave.

Important Meeting At Country Club

An important stag party for members of the Gettysburg Country Club will be held this evening at the clubhouse.

The golf committee will meet at 7:45 and the board of directors at 8:30.

A baked ham buffet luncheon will follow the meetings.

William Laughlin, Mt. Holly Springs, visited last week with Mr. and Mrs. Frank Newell.

Upper Adams Pony League

The Bendersville Orioles strengthened their grip on first place in the Upper Adams Pony League by defeating the Giants 6-1 at York Springs Monday evening. It was the sixth win in seven starts for Chet Ogden's clan.

Rain halted the White Sox-Senators game at Arendtsville at the end of three innings and that game was re-scheduled for Wednesday evening. The Sox led 2-2 when the rain started.

Thursday's games: Redlegs vs. Giants at Biglerville, White Sox vs. Orioles at Arendtsville.

TOWN STAYING

(Continued From Page 1)

by the Commonwealth. The other ten per cent will arrive in October, according to the accompanying letter.

Burgess Plank's report showed the \$2,387.46 he turned over to the treasurer included \$309 from parking fines, \$201 from 17 building permits, \$1,626 from 27 digging permits, \$250.46 theater tax and \$1 for one guide license. During the month the burgess issued 14 building permits for construction estimated at \$197,900. Eighteen digging permits, one license and four equipment rental permits were issued by the burgess during the month.

Chief of Police Jack Bartlett's report showed 13 arrests on criminal charges and 13 on traffic charges during the month. There were four auto accidents investigated including one in which two youths were fatally injured. A total of 207 complaints were received, 19 escorts were provided, 45 assistances were given other departments. Two wallets were found out of four lost. Three bicycles were found of three lost. Three missing persons were reported and all found. One car was stolen and one recovered.

to Abraham Lincoln, in celebration
of his 100th birthday anniversary,
Congressman D. F. Lefane, of this
district, immediately after the re-
convening of Congress next Decem-
ber, will introduce a bill providing
for the construction of a magnifi-
cent roadway or boulevard, reach-
ing from the White House, at Wash-
ington, to the battlefield at Gettys-
burg, at a cost of \$7,000,000.Since early last winter the York
congressman, together with Hon.
J. T. McCleary, second assistant
postmaster general and others, has
been quietly working upon the pro-
ject, General McCleary recommend-
ing it to the Abraham Lincoln
Memorial Commission.Mr. Lefane stated that the pro-
posed Lincoln memorial boulevard
meets with the approval of Presi-
dent Roosevelt, the Lincoln Mem-
orial Association, Senator Knox and
scores of congressmen and other
powerful influences. The York
congressman said that Senator
Knox has become enthusiastic over
the proposed road since his recent
delightful visit to Gettysburg. Mr.
Lefane says that he is confident of
the success of the proposition. So
sure is he that the measure will
be approved by congress that he
declares the bill will be passed
finally on February 12, 1909, Lin-
coln's centenary, and signed on the
same day by the president.The great avenue will be 150
feet wide, each side will be a 50
foot roadway with a 50 foot plot for
grass in the center. On one side of
the boulevard will be a 20 foot trol-
ley road. If the proposed plan is
carried out it will be the finest
piece of roadmaking in the world.It will be almost an air line,
covering a distance of about 72
miles. From Washington it will
extend in a straight line to West-
minster, Md. From Westminster it
will extend in a straight line to Gettysburg.The Fourth: The Fourth of July
was appropriately celebrated in
Gettysburg. About the usual
amount of fireworks went up in
smoke and we have learned of no
accidents of a serious nature.The parade and exercises ar-
ranged for by the local camp of
the Sons of Veterans were a suc-
cess, but the parade disbanded be-
fore the entire route had been cov-
ered, on account of rain.The parade under the marshal-
ship of Maj. Henry Stewart and
assistants, Maj. Gordon of York

Today's Talk

LOOK FOR THE GOOD

There are many people who
seem to delight in the practice of
criticism. They are forever trying
to discover something about another
that they can use as a basis for
finding fault. What a happier
world this would be if people only
looked for the good in others —
and spread the good news all
about!Think of the increased power all
nations would have if they made
it a point to hunt for the good in
other nations, instead of putting
them under suspicion, and wonder-
ing whether to trust them or not.People who are forever looking
for the good in others never fail
to have a multitude of friends who
trust and love them. Friends don't
just happen. They are discovered,
and then cultivated just like a rare
flower. These friends of ours have
to be nourished. Trust them fully
and you have an investment in
happiness that will last as long as
you last.I have a small Rembrandt etch-
ing of Jesus and the woman at
the well. I often look at it, for
there is deep meaning in all that
transpired at that rare meeting.
The woman was amazed at what
Jesus told her. But she believed,
for all was true that He said. The
fact can be noted that Jesus never
condemned. He lifted people into a
higher area of life.When we look for the good in
other people, we ourselves are up-
lifted. I believe sincerely that our
way to happiness and individual
greatness is through looking for
the good in others, and telling
other people about everything good
that you may have discovered. If
you always look for the good in
others you will find it!Tomorrow Mr. Adams will talk
on the subject: "Think About It!"

THE MUCK-RAKER

Who is it nothing ever suits?

The muck-rake man.

Who looks for fly specks on all

fruits?

The muck-rake man.

Who views an apple rosy-red

And says, the while he shakes his

head:

"I see one with a worm

instead!"

The muck-rake man.

Who holds that no man here is

good?

The muck-rake man.

Says all would do wrong if they

could?

The muck-rake man.

Who glories not to find men true,

Nor seeks to praise the deeds they

do,

But merely holds up vice to

view?

The muck-rake man.

Who might be useful, if he

would?

The muck-rake man.

Might turn his trenchant pen to

good?

The muck-rake man.

Might strengthen virtue and her

cause

By giving her deserved applause

And seeking merit more than

flaws?

The muck-rake man.

CANADA HOPES

IKE CAN HELP

SOLVE PROBLEM

By WARREN ROGERS JR.

Associated Press News Analyst

WASHINGTON (AP)—Just be-

fore Queen Elizabeth II and

Prince Philip flew to Canada last

Columbus Day, they were vac-

cinated against Asian flu, then rag-

ing in North America.

But President Eisenhower and

Secretary of State Dulles, flying

there today, have no such protec-

tion. There is no handy vaccine

to dispel what ails Canada in its

relations with the United States.

Sigmund Freud might have

diagnosed it as an inferiority com-

plex. But say that in Ottawa and

you'll get a cross look, if not a

right cross to the jaw. Ask almost

any American and he's baffled.

If he's thought about it at all.

Chances are he takes Canada for

granted.

Consider Problems

Eisenhower and Dulles have

thought about it a great deal, es-

pecially Dulles. It's mighty dis-

concerting for a secretary of

state, wrestling with problems in

not-so-friendly places far away,

to have trouble erupt next door

across the unpatrolled border in

friendly Canada.

Dulles has had his share of this,

mostly in the economic field.

Canada has complained in recent

years that the United States is

hurting it by dumping surplus

U. S. wheat on the world market,

restricting Canadian oil imports,

selling Canada more than it buys,

and so on.

There is also the problem of se-

curity information. The Canadian

Mounties have been supplying the

FBI with security data on Cana-

dian citizens for years. But Can-

ada threatened to stop that last

year after the Senate Internal Se-

curity subcommittee published a

report naming one of her diplo-

mats.

Canadian Suicide

E. Herbert Norman, then Cana-

da's ambassador to Egypt, com-

mitted suicide in Cairo after the

committee said he had been ac-

tive in Communist circles. Cana-

da's indignation was enormous.

Eisenhower and Dulles are tack-

ling all these problems with their

Canadian counterparts at Ottawa.

There is hope for progress, al-

though the security issue is espe-

cially knotty since, under the U.S.

Constitution, the executive branch

can make no promises binding on

the Congress.

The United States and Canada

have been friendly so long that al-

most nobody remembers when

they were enemies. American re-

volutionaries invaded Canada in

1775-76, took Montreal and be-

sieged Quebec. Most Canadians

are convinced Theodore Roosevelt

bullied them into a disadvantage-

ous settlement of the Alaska-
Canada boundary in 1903. And
some may be wondering today
whether efforts might be made to
acquire Canada's west coast for a
land linkup with the 49th state.

Much Similarity

It is not hard to argue for the

theory of an inferiority complex.

Canada's radio reeks with rock

'n' roll. Canada's television leans

to I Love Lucy and similar U. S.

made programs, the books and

even the magazines come over-

whelmingly from the United

States. Canadians talk like U. S.

residents—those that don't talk

French, that is—even though they

swear allegiance to Queen Eliza-

beth.

Many may be satisfied with the

situation but others would prefer

that Canadians ache more of a

national identity.

PAGELAND, S.C. (AP) — Men

hot-footing it across Pageland

pavements were motivated by

custom, not insanity. The day

of going barefoot before the open-

ing of the annual watermelon fes-

tival is for the men a bit of local

love. The womenfolk got to keep

their shoes on—if they wore gaudy

aprons.

hear Morris Ploskove, a New

York lawyer and one of the na-

tion's leading authorities on sex

crime laws, discuss the subject,

"Legal and Social Problems in the

Prosecution of Sex Crimes."

Officers will be elected at a busi-

ness session Wednesday morning.

A banquet and golf program will

wind up the convention.

The association plans to honor

two past presidents, Carl B. Shel-

ley of Dauphin County and Edward

B. Thompkins of Cameron.

Thunderstorms

Lash Lancaster

LANCASTER, Pa. (AP)—Two

thunderstorms lashed Lancaster

County Monday night flooding cel-

lars, closing highways and isolat-

ing some areas briefly.

A number of telephone and po-

wer lines reportedly were knocked

out by the lightning and wind. No

injuries were reported.

Two inches of rain fell during

the storms. Manheim Township,

Ephrata and Little were hardest

hit.

SPORTS

SUGGESTION TO MOVE SENATORS IS WITHDRAWN

By WHITNEY SHOEMAKER
Associated Press Sports Writer
BALTIMORE (AP)—American League club owners and lawmakers have made it plain they want ball-playing Senators to remain in Washington.

Calvin Griffith, president of the capital's baseball team, broached the possibility of shifting to Minneapolis or elsewhere but dropped the idea after a closed session Monday with fellow owners here for the All-Star Game.

Griffith wouldn't commit his club to stay in Washington forever. He said no businessman can make such a promise. But for the time, at least, any move is out.

Wants Investigation
Sen. William Langer (R-ND) declared there ought to be an investigation. Sen. Karl Mundt (R-SD) said talk of depriving congressmen and their neighbors of big league baseball might cause second thoughts about a sports bill pending in the Senate.

The measure would allow pro baseball, football, basketball and hockey penny of freedom to operate while subjecting their commercial activities to the antitrust laws.

Say Timing Is Bad
The baseball Senators have become regular basement tenants in the standings. They're also last in home gate receipts.

Word around All-Star headquarters was that Tom Yawkey, president of the Boston Red Sox, and like-minded officials argued baseball as the national pastime belongs in the national capital. They also were understood to have called the timing bad, in view of the Senate hearings on what critics have termed a club owners' monopoly.

Gettysburg Little League

Rick Fissel and the Moose Little League team gave the league champion Rotary Tigers their toughest battle of the season, but were unable to stand up under the heavy hitting of the home club in the late innings as the Tigers came from behind to defeat the Moose 7-5 on the recreation field, Monday evening.

Manager "Bud" Knox seemed to have picked the right combination by bringing Tom Whittinghill and Chris Richardson into third and shortstop, respectively, and posting Greiner, Rosensteel and Fair in the outfield to strengthen his defense. The Moose made only one error and kept the Rotary handuffed for three of the five innings.

The visitors tallied their first run in the initial frame when Ron Fox drew a walk, stole second, went to third on a passed ball and came home when the catcher dropped the ball.

The Moose moved out in front 2-0 in the top of the third when again Fox walked, stole second and scored as Tom Whittinghill lashed a line double to deep right field.

Rotary Rallyes
The Rotary came back in the bottom of the third to take a 3-2 lead. Bill James walked with one out and Dane Kennell got on via a fielder's choice. Then "murderer's row" came up with Mike Flynn doubling to left, Tom Collins, Buddy Giberson and Johnny Longenecker belting sharp single and Bruce Garrett climaxing the affair with a double against the left field wall sending in two more runners.

Throughout the first three innings Giberson weakened and was finally relieved in the fourth when, with no outs, he walked four consecutive men. When Longenecker came in two more runs tallied on an infield miscue.

14th Straight
The Rotary tucked away their 14th straight win in the bottom of the fifth. Giberson led off with a single, Longenecker walked and Bruce Garrett singled allowing both runners to score.

Tom Whittinghill collected the only hit for the Moose, while five of the Tigers connected for a pair of safeties each. Fissel, showing fine control, is charged with the loss while Longenecker receives the win.

Wednesday's Game

Yankees vs. Tigers, (college)

Thursday's Game

Cubs vs. Giants, (rec park)

The league-leading Cubs chalked up their third straight victory in the local Minor League by defeating the Tigers 8-2 on the Recreation Park field Monday. Knox sparked the winners with four hits in as many times at bat while Tipton allowed the losers but four hits.

Twenty-two runs in the second inning enabled the Yankees to clobber the Giants 27-12 on the college field in the highest scoring game of the season. Pottoff rapped four safeties and Schultz three for the Yanks while B. Harman and Dillman each collected two for the losers.

The measure would allow pro baseball, football, basketball and hockey penny of freedom to operate while subjecting their commercial activities to the antitrust laws.

NEARLY 50,000 EXPECTED FOR ALL-STAR GAME IN BALTIMORE

By JOE REICHLER

Associated Press Sports Writer

BALTIMORE (AP)—A record big league Baltimore crowd of more than 49,000 was expected to jam-packed Memorial Stadium today for its first look at the underdog National League in the 25th annual All-Star Game.

Although the Nationals appeared to boast the stronger starting lineup, the Americans were a 14 to 10 favorite to win their second straight and their 15th since the spectacle originated in 1933. There was no game in 1945. The odds-makers based their claim on the American's stouter pitching and a better bench, led by Ted Williams and Yogi Berra.

Showers were forecast for late in the afternoon. The game was scheduled to start at 12 noon (EST).

Haney Tosses Surprise
An added feature was the resumption of the rivalry between last October's World Series managers, Fred Haney of Milwaukee and Casey Stengel of New York. Both wasted no time expressing their determination to put out all stops in an effort to win.

Haney hurled a couple of early surprises, naming Warren Spahn, his own left-handed ace, to open on the mound for the National League, and selecting Willie Mays, the San Francisco Giants' slugging center fielder, as his leadoff batter. Stengel, who nominated his veteran right-hander, Bob Turley (12-3), to open for the American League, countered with a surprise of his own, announcing Mickey Mantle, the Yankees' strong boy, as the No. 2 hitter.

Stengel named Boston's Jackie Jensen and Kansas City's Bob Cerv his third and fourth hitters.

Spahn Well Rested
The selection of the 37-year-old Spahn (10-5) was perhaps the biggest surprise, since the A. L. batting order is packed with right-handed hitters. Leadoff man Nellie Fox of Chicago is the only southpaw swinger, with Mantle batting from either side of the plate.

Haney, in his first All-Star managerial attempt, opined that "a good pitcher doesn't worry about what side of the plate a batter hits from. Also, Spahn is well rested. He hasn't pitched since Friday. Besides, it is a real ball park, and Spahn likes to work in a big park."

Double-decked Memorial Stadium measures 309 feet down each foul line and 400 feet to center. A total of 1,500 temporary seats won't cut the dimensions.

Stengel Sees Changes
"I'll probably use three pinch hitters," Haney said. "And I'd like to get them in front of Mays. That's why I put him in the lead-off spot. He's the hottest hitter in our league and I want him to come to bat as often as possible. I'm here to win, not to shuffle players."

Stengel arranged his starting lineup with plans for extensive changes. He'd like to get such sluggers as Williams, Berra, and Al Kaline of Detroit in the game as quickly as possible.

"I come here to win me an All-Star game," he snapped, "and to beat the guy which I didn't do in the World Series."

Neither manager revealed his pitching plans after the third inning. Each said it depended upon whether he is ahead or behind. A good guess is that Haney will follow with Bob Friend of Pittsburgh and Dick Farrell of Philadelphia or Don McMahon of the Braves. Stengel was almost certain to use Billy Pierce, White Sox southpaw star, and his own Ryno Duren, the sensational rookie right-hander who has been averaging a strikeout every two batters in relief.

Gettysburg Big Little League
The Blue Ridge baseball team of the Big Little League captured their second straight championship by defeating the Eagles 4-1 Monday evening on the Riskey Weikert Memorial Field. The Ridge-men have now won nine games without a setback and have three encounters remaining.

Manager John Dick's Eagles was the only team in position to tie the Blue Ridge for the title but this was dissolved on the fine hitting and pitching of Hardy Nichols. Nichols allowed only one run and a few scattered hits to give his team the title.

The Eagles scored their lone run when Bob Furney was walked, went to third on a pair of passed balls, and same home on Ron Sanders' single to right.

Nichols pounded out the Ridge's only home run when he walloped his third-inning blow over the left center field fence.

Nichols and Hull formed the Blue Ridge batteries while Jim McClear and Bob Furney went the distance for the Eagles.

Greg Maitland Takes Jaycee Golf Tourney; Brown Is Disqualified

Gregory Maitland, 14, son of Mr. and Mrs. Russell Maitland, R. 2, won the 1958 Junior Chamber of Commerce championship Monday, by firing a sizzling 85 on the Gettysburg Country Club course.

Maitland, who started playing golf only a year ago, is one of the top young golfers in the community. He has recorded scores as low as 75, five over par. On Monday, he toured the front nine holes with a 44 and came in on the back nine with a 41.

Brown Disqualified
Tony Brown, son of Attorney and Mrs. Richard A. Brown, was originally named the winner with his 42-42—84, but due to the age limit, was disqualified. According to the Junior Chamber of Commerce national rules a boy may not participate if his 18th birthday falls before August 15. Brown will be 18 on August 2. State Jaycee headquarters supplied the rules on age limits this morning.

A field of 21 golfers took part in the tournament ranging in age from 12 to 17. It was the largest field in this area to compete in the annual JC tourney. All of Monday's participants were from Gettysburg.

Sam Hartley, 16, son of Mrs. Robert Hartley, S. Howard Ave., placed second with a blistering 43-43—86 in 87 degree heat. The third position was filled by Tom Crist, last year's defending champion, who shot a 46-42—88.

At Carlisle Friday
Maitland, one of the youngest winners of the tournament, will play in the state finals Friday on the Carlisle Country Club course. There is a possibility that the second place winner, Sam Hartley, will be permitted to play also.

The results:
Tony Brown, 42-42—84 (disqualified); Greg Maitland, 44-41—85; Sam Hartley, 43-43—86; Tom Crist, 46-42—88; Askold Zagars, 50-44—94; Dick Crist, 51-44—95; Richard Noel, 51-45—96; Bart Olinger, 52-47—99; Larry Eckert, 56-45—101; Mark Eckert, 57-45—102; Charlie Schleicher, 49-54—103; Dave Stoner, 50-53—103; Guy Weikert, 51-56—107; Tony Claybaugh, 56-53—109; Bill Woodward, 57-52—109; Eugene Miller, 58-52—110; Don Eckert, 67-50—117; Gary Maitland, 64-57—121; Roy Fairman, 71-54—125; William Weaver, 69-63—132; and Bob Gilbert, 68-x-x.

SP PICKS 23 PLAYERS FOR ALL STAR TILT
A 23-man squad was picked by managers of the South Penn Baseball League Monday evening to represent the league in its All-Star game with the Pen-Mar League squad at Littlestown Thursday evening, July 17.

Robert Krichten, league president, presided at the meeting at the American Legion Home which was attended by all managers.

Jim Spence, Arendtsville, was named as the manager of the squad with L. Shancbrook, Bonneauville, and E. T. Daron, Jefferson, as coaches.

The squad follows:
First base, K. Singley, Mummaburg, and G. Spangler, Jefferson; second base, T. Cline, Arendtsville, and G. Coble, Jefferson; third base, D. Warner, Brushtown, and D. Kessler, Jefferson; shortstop, J. Raber, Jefferson, and D. Bushman, Arendtsville.

Left field, C. Hankey, Hunters-town, and F. Finrock, Arendtsville; centerfield, R. Spence, Arendtsville, and J. Hartzel, Mummaburg; right field, E. Roth, Brushtown, and O. Taylor, Arendtsville.

Pitchers, R. Pitzer, Arendtsville; I. Palmer, Jefferson; D. Sneering, Bonneauville; F. Laffer, Greenmont; R. Byers, Mummaburg, and W. Simpson, Harney.

Catchers, W. Orndorff, Bonneauville; G. White, Mummaburg, and D. Hartzel, Arendtsville.

Emmitsburg Little League
The Giants, first half champions, who lost their first game of the season to the Red Sox, found the first game of the second half just as rough with the same ball club as both squads played to a 15-15 deadlock, Monday evening on the Emmitsburg Little League diamond.

Mort and Englar formed the batteries for the Red Sox while Messner started on the mound for the Giants but yielded to Staley in the fourth. Byard caught the whole game. The contest was called at the end of six innings because of darkness. The game will be rescheduled at a later date.

Ed Beck, senior, center on Kentucky's NCAA champion basketball team, is a Methodist minister.

SELECTIONS FOR DAVIS CUP TEAM AMAZE

Associated Press Sports Writer

NEW YORK (AP)—The United States is taking a \$50,000 gamble by sending a virtually untried team against Canada in the semifinals of the American Zone Davis Cup tennis competition this weekend.

"I was amazed when I read the makeup of our team while I was at Wimbledon," said Barry MacKay of Dayton, Ohio, who heads the squad leaving for Toronto today. "The pressure really will be on us."

The American Davis Cup Committee has selected a group of bright new faces for the assignment in Toronto Thursday, Friday, and Saturday.

Besides MacKay, members of the team include Whitney Reed, Alameda, Calif.; Sam Giammalva, Houston; Earl Buchholz Jr., St. Louis; and Jack Douglas, Stanford University, Calif.

MacKay, 22, never played before more than 200 people before his selection as a surprise substitute in the Davis Cup Challenge Round last December in Melbourne.

He and Reed, fifth and eighth, respectively, are the lone players in America's top 10 named to the team. Giammalva is ranked 16th, Buchholz and Douglas unranked.

Buchholz, 17, won the junior boys title at Wimbledon last Saturday, but has had no Davis Cup experience. Douglas, runner-up to Peruvian Alex Olmedo for the national college crown, is a complete dark horse.

Littlestown Little League
The Giants increased their lead in the Littlestown Little League Monday evening to three full games by handing up a 9-2 victory over the Eagles.

Tonight the Lions oppose the Vets.

Fairfield Lions League
Fairfield pulled to within two games of the league-leading Amvets by topping Cashtown 7-4 in a hotly contested game on the winner's field Monday evening.

Cashtown scored all of its runs in the first inning on three hits, a walk, two errors and a wild pitch. Fairfield, outthrew during the game 7-5, tallied four in the third when only one hit was secured. A walk to Sanders and disputed home run by Inskip gave Fairfield two runs to break the tie in the fifth.

Score by innings:
Cashtown 400 000 0-4
Fairfield 004 021 x-7
Batteries: Cashtown, C. Runk and J. Guider; Fairfield, Sanders and D. Snively.

Orttanna topped invading Mummaburg 9-5. Jim McDannell rapped three singles and Jim Roth a triple and single for the winners.

Ramer and Neely divided the pitching for Orttanna with McDannell and Haines sharing the catching. Riley and Bowling hurried for

AFTER THREE YEARS, MATINEE THEATER DIES

By CYNTHIA LOWRY
NEW YORK (AP) — Matinee Theater sank quietly in the Sunday channels of daytime television at June's end, torpedoed by big expenses and small audiences.

Somewhat, it had managed to survive almost three years in spite of competition from quiz shows, musical shows and serials. It won wide critical acclaim, but for some time it has been unloved by NBC.

The network claims to have lost three million dollars putting on five hour-long live plays weekly. Its drooping ratings dampened sponsors' eagerness to help pay for the plays — even when they were Shakespeare.

Two Series Now
In Matinee Theater's place have come two series cast in the conventional mold of agony and much cheaper to produce.

Meanwhile, however, Matinee Theater is not beyond salvage. It has developed a hard core of such devoted viewers that Mrs. John Comie, wife of the actor who was host on the show, was moved to organize the non-profit Foundation for the Preservation of Matinee Theater. To date, thousands of viewers have contributed more than \$200,000 to get the show back on the air.

"And we would have much more if all our viewers knew about the Foundation," said Mrs. William Black, east coast chairman of the project. "We tried to buy spots on

6 Dead, 2 Injured As 2 Cars Crash In Storm

SPRINGFIELD, Mo. (AP) — Two cars collided near here Sunday during a thundershower, killing six persons. Two other were injured critically.

Dead are Aaron Leitwein, 66; his wife Dathna, 64; their son, Harry Leitwein, 45; and his son, Dean, 13, all of Springfield; and Howard Bigelow, 48, and his son, David, 13, Kansas City.

The injured are Bigelow's other son, Tommy, 9, and Mrs. Harry Leitwein, 43.

NBC asking viewers to contribute, but they wouldn't give us time. Whether or not the Foundation is successful, the idea of thousands of women earnestly attempting to keep alive an intelligent, entertaining television show is stimulating and pleasant.

Missing A Bat?
Obviously NBC could not be expected to continue to drop a million dollars a year on a TV show, no matter how widely it was praised or beloved. Apparently it could survive only if moved to TV's public service time — Sunday afternoon — which has become increasingly lacking in sponsors.

Mrs. Black, however, thinks sponsors — even soap manufacturers — are missing a good bet. "After all, thousands of women have demonstrated how much they like the show — and with contributions," she said. "I think the sponsor who gave Matinee Theater back to its public would be such a hero the audience would make sure his product sold. After all, that's what a sponsor wants, isn't it?"

FARM PRICE INDEX DOWN

HARRISBURG (AP)—A drop of 6 points in the index of prices received by Pennsylvania farmers was reported Monday by the State Agriculture Department. The report covered the month ended June 15.

The Pennsylvania Crop Reporting Service said the index for all farm products, including dairy, also decreased 6 points but still was 21 points higher than a year ago.

The Commonwealth's index for farm products other than dairy dipped to 235 per cent of the 1910-14 base as Pennsylvania farmers received lower prices for wheat, barley, hay, potatoes, steers and heifers, calves and milk cows.

Pennsylvania farmers received higher prices in mid-June for corn, buckwheat, beef cattle and hogs. Hog prices averaged \$22.80 per hundred pounds and were the highest since August, 1954.

Corn advanced 5 cents per bushel to average \$1.52, buckwheat was up 5 cents per bushel to average \$1.25 and hogs rose an average of 50 cents per hundredweight. Price advances also were recorded for soybeans, broilers and wool.

MILK SUBSIDY OFFERED

HARRISBURG (AP) — A milk subsidy now is available for a wide variety of summer camps and other non-profit child-care institutions, the Department of Public Instruction said today.

Clyde A. Zehner, milk consultant for the department, said that the special milk program has been amended to provide reimbursement for non-profit institutions serving milk to pre-school or school-age children.

CHILD IS KILLED

EPHRATA, Pa. (AP)—Gary N. Martin, 22-month-old son of Mr. and Mrs. Albert Martin, Little, R. 4, near Lancaster, suffered fatal injuries Sunday when the family car crashed while returning from a trip to the Philadelphia Zoo. The infant died in Ephrata Community Hospital.

Trucker Rustles Tots PlasticSwimmingPool

DETROIT (AP) — John Steinmetz Jr., 4, and his brother Gary, 3, and two other youngsters were filling up a plastic swimming pool in the Steinmetz back yard so they could cool off.

A man in a pickup truck was driving down the alley and saw the children. He stopped his truck, jumped over a fence, grabbed the pool, threw it in his truck and took off. Police are searching for the man.

WELL-WISHERS CHEER FORMER GIBSON BEAUTY

CHICAGO (AP)—It was a happy birthday after all for an 80-year-old former Ziegfeld Follies girl. "I'm all done in," said Mrs. Annabelle Whitford Buchan, one of the century's celebrated beauties, after an all-day celebration Sunday.

Only last Friday, alone in her little apartment, Mrs. Buchan had lamented to a reporter, "No one comes to see me. It would be wonderful to hear from someone — anyone, particularly on my birthday."

Remembrances Arrive

Remembrances started arriving Saturday for the lonely, aging beauty who was selected early in the century by the artist Charles Dana Gibson to portray his famous creation in the Follies.

And Sunday well-wishers came calling, bringing gifts of jelly, jam, perfume, candy, handkerchiefs and flowers.

More than 150 cards, letters and telegrams arrived from the United States, Canada and Mexico—and every one of them sent by a stranger to the woman who was wined, dined and feted as the toast of the Ziegfeld Follies from 1907 to 1910.

Since Mrs. Buchan's husband, a surgeon, died in January she has been alone.

Alan Wood Steel Co. Cancels Price Hike

CONSHOHOCKEN, Pa. (AP) — The Alan Wood Steel Co. said Monday it was not increasing its prices as announced two weeks ago.

The firm, one of the nation's smaller producers with an annual capacity of 800,000 tons, had announced it would hike prices an average of \$6 a ton effective today as a result of a wage increase to employees that became effective this week.

The firm said it was disappointed that the big mills didn't raise their prices and that it had no alternative but to "remain competitive."

The world's longest tunnel, a 22 mile underwater bridge between the Japanese islands of Honshu and Hokkaido, will be undertaken by Japanese National Railways next year. Completion date is expected in 1968.

TIME BUYING STILL IN STYLE ACROSS NATION

By SAM DAWSON

NEW YORK (AP)—Buying on time is still in style. Because of the trimming down of auto installment debt there's more of a chemise look today. But if you disregard auto credit (and it's still hefty by most standards) you'll find Americans increasing their purchases of other consumer goods on the cuff.

Department stores report a steady climb in the amount of soft goods being sold on short term credit plans.

It's only the big ticket hard goods that take a long time to pay for that find the customers acting shy.

Debtors Prompter

And the American Bankers Assn. reports that debtors are prompter in their payments than they were in the early months of 1958. The Northern Trust Co. of Chicago says that delinquencies and repossessions, although higher than a year ago, have not reached a stage considered serious. The ABA adds they appear to be receding in many parts of the country. But the American Collectors Assn. finds the delinquent, its particular problem, hard to collect from.

The Federal Reserve Board's largest figures show that at the start of June total installment credit was just under \$3 billion dollars, down 600 million dollars from the end of January. During May consumers had taken on \$1.2 billion dollars of new installment debt, but repayments had topped this by 100 million dollars.

The shrinkage was all in auto loans. Outstanding were some 14 1/2 billion dollars of commitments on cars, 183 million dollars less than at the start of May.

Becoming Selective

But other consumer goods had risen in May by \$3 million dollars to \$1.4 billion dollars to top year ago figures by 95 million dollars. Repair and modernization loans and personal loans also rose.

A Standard Financial Corp. survey of 12,640 customers of 127 department stores throughout the country points up the selectivity of consumers during the recession. It reports that in the last 18 months revolving credit sales of soft goods in these stores exceeded the corresponding month of the previous year.

The average maturity of installment credit for soft goods is seven months, while the average maturity on auto debt is around 31 months.

Merchants and customers answering the survey stressed this time difference in their credit programs under current conditions.

Can See 7 Months

"Consumers can see seven months ahead; they can't see 31 months ahead," the report concludes. "So they hold back on the long-term obligations."

Only in the case of electric appliances did any of the 127 stores report any easing of credit terms. The aim in that case was traced

Blackbird Hostile To Head Of House

WESTBURY, N.Y. (AP) — A blackbird — otherwise friendly and well behaved — makes like an infuriated eagle every time it spies Joseph Siniscalchi.

It doesn't bother his wife, Helen; their daughter, Donna, 10; or visitors.

But every time Siniscalchi puts his head out the door, the bird dives from a tree, screeching and chattering, and wheels over his head. When he comes home from work, the bird is waiting to attack.

It all started about two weeks ago while he was working in his garden. He thought he might have disturbed a nest. But he looked, and couldn't find any.

Mystified and fed up with it all, Siniscalchi said: "At first I thought it was amusing. Now that bird is driving me crazy."

Honest Angler Has Switch To Fish Tale

RALEIGH, N.C. (AP)—Fishesman H. E. Raynor tells this story: He baited his hook with a minnow and tossed it in a lake

to efforts of factories to reduce heavy inventories.

In addition to an increase in the buying of soft goods on time, sales finance companies report an increase of installment sales of motor boats, house trailers, swimming pools, travel tickets and college tuition payments.

GET faster, lower-cost gains with NEW PREMIER MOREA LIQUID FEED SUPPLEMENT

Now the science of rumen nutrition brings you a marvelous new liquid feed that enables cattle and sheep to make better gains on high-roughage rations. New Premier Morea liquid feed contains urea nitrogen, phosphoric acid, trace minerals, molasses and ethanol — the hydrogen donor that builds extra feed efficiency.

Only Premier MOREA liquid feed is guaranteed to contain ethanol. Scientists have found that rumen organisms in the stomachs of cattle and sheep need a hydrogen donor for top efficiency in building protein. The ethanol in Premier MOREA liquid feed is an effective hydrogen donor. When you feed Premier MOREA supplement with roughage and grain, you get faster gains and finish, and more high-quality meat.

Look what PREMIER MOREA liquid feed gives you!

- Labor-saving, free-choice, liquid feeding.
- Faster, lower-cost gains and high finish.
- Top quality meat with less waste fat.
- More milk at lower-cost from dairy cows

WORLD ON WHEELS

By Floyd Clymer

Just who should have the credit for originating the name of "station wagon" is a debatable question. Manufacturers of horse-drawn vehicles apparently had the idea long before the car makers did. As early as 1885 wagon makers were offering horse-drawn vehicles with a driver's seat and, in some instances, one, two, or three additional rear seats which could be removed entirely or reversed so that the passengers rode backwards.

As early as 1875 a horse-drawn wagon was offered in which the passengers rode sideways on the lower deck and faced both front and rear on the upper deck. It was referred to as a sight-seeing "wagon." There are also some historians who claim that the station wagon made its first U. S. appearance in 1902, although this is subject to debate.

Probably the first production automobile that could have been called a station wagon was the 1908 Rapid Pullman Wagon, which had a canopy top and carried 12 passengers.

Stanley Steamer

The first nationally-known station wagon was undoubtedly the 30 hp Stanley Steamer built for some years, starting in 1913, which was called the Stanley Mountain Wagon. It carried 12 passengers and was built by the Stanley Brothers to replace horse-drawn stages operating between Loveland and Estes Park, Colorado. This "wagon" had removable seats which could also be reversed. Side curtains that could be attached or removed in a few minutes actually made it an open or closed "wagon."

Undoubtedly the Ford Motor Company was first to mass-produce the wagon and lift it out of the custom class. The wagon prior to this time had been considered as a luxury vehicle only for the wealthy. It was in 1929 that the wooden wagon body was fitted to a Model A Ford chassis. As late as 1932, when Ford introduced its all-metal body, total station wagon sales of the industry constituted only 1.4 per cent of the passenger car market.

In 1934 Studebaker engineers thought they designed that company's first station wagon, the Conestoga, but researchers found they were 31 years wrong — for in 1903 Studebaker called its horse-drawn vehicles a "station wagon." It was named by John M. Studebaker himself, in keeping with his practice of applying names that fit the vehicle's use.

Dual Purpose Vehicle

In 1948 the Kaiser-Fraser Corporation introduced a revolutionary dual-purpose vehicle. Their Traveler model looked like a four-door passenger car and yet it had a rear opening and the rear seat could either be removed or folded down. When folded down the rear seat back became a part of the flat floor, giving a tremendous amount of luggage space. Thus it became a utility vehicle as well as a pleasure car, with all of the handling characteristics and roadability of a normal sedan. In 1949 Kaiser's DeLuxe version of his "wagon" idea was called the Vagabond. De Soto was next with a dual-purpose car, which was almost a copy of the Kaiser version, with a fold-down seat to make a spacious rear deck with a flat floor. Station wagon improvements in recent years have been such that modern wagons handle with ease, and the roadability is as good in most instances as in the normal sedan.

The popularity of the wagon has increased from 11.3 per cent of the pleasure car market in 1956 to 14.3 per cent of the 1958 production to date.

Ford leads in the production of two-door wagons and, for the first six months of 1958 production, Ford products secured 53.5 per cent of the two-door models; whereas, General Motors led in four-door models, with 40.7 per cent of the market.

Low Priced Field

Chevrolet leads in sales of four-door wagons. Of the industry's volume of two-door wagons, 93.8 per cent was sold in the low-priced field by Ford, Chevrolet, Plymouth, Rambler and Studebaker. Plymouth has been very successful in the sale of its wagon, in that one out of every four 1958 Plymouths sold to date has been a wagon. Ford Division wagon sales have been averaging 18 percent. (Of two-door wagons sold in the low-priced group, one out of every two 1958 models is a Ford.) Approximately 40 per cent of the Rambler output is their wagon, which was one of the first ones to catch on.

DIME DERRICK—FOR QUICK PAYMENT OF TROUBLESOME TOLLS.

THE DRIVER'S SEAT

There'll be dancing in Dublin, cheering in Cork and, likely, fever-furrowed brows in the United States. Recent indications are that green is joining the ranks of the other three colors considered standard for highway signs.

Red STOP signs, yellow caution or warning signs, and white regulatory signs have been in use for some time in all parts of the country and have become a familiar part of the highway picture. Now green on signs that direct motorists to destinations is being added as a standard color.

In the state of Washington, where all four colors have been in use on state roads for several years, highway officials recently announced the adoption of green directional signs for roads that are part of the interstate system. North Carolina made a similar announcement and many other states are expected to follow suit.

Green Now Standard

Bertram D. Tallamy, federal highways administrator, reported a short time ago that reflective green directional signs have been adopted as standard for the new 41,000-mile interstate highway network.

The green signs were chosen after extensive tests. Hundreds of representative motorists were invited to drive a test road on which signs of various colors had been set up.

They voted overwhelmingly for signs with white letters on a green background, made of reflective material that made them brightly visible at night.

Turnpikes and expressways were among the first to use signs of this type. A recent survey of new turnpikes built in the past few years showed 17 out of 21 using green signs; four had adopted blue before green was recommended by the Bureau of Public Roads. Reflective brown is also used on two turnpikes for special purpose signs.

Survey Results

A survey made last year by a technical committee of the Institute of Traffic Engineers found that 12 states were using green directional signs and that 15 more had plans to install them.

Reporting on the survey, Robert A. Burch, chairman of the committee and traffic engineer in the North Carolina Highway Department, said traffic experts recommend distinctive colors for the various types of signs because this makes it easier to see and identify the signs from a safe distance.

Use of different colors to quickly distinguish different kinds of traffic signs is not a new idea, the engineers say. But it was not practical until recently, when new materials were developed that do not fade and that, after dark, reflect the same bright color they show in daylight.

OPPOSE "CRASH" PLAN

PHILADELPHIA (AP) — High priority on the construction of the eastern Shortway would delay "long neglected highway relief" around the Philadelphia area, the Greater Philadelphia Movement said.

FIND KRAVITZ MURDER WEAPON

PHILADELPHIA (AP) — Investigators say they have found the weapon believed to have been used in the slaying of real estate dealer Max Kravitz, 48, in his suburban home.

Bernard Di Joseph, Montgomery County district attorney, said Monday night a .32 caliber pistol was found in the gutter of a road near the home Kravitz shared with his wife, Ethel, 45, who is accused of the crime.

The district attorney said the pistol was wrapped in a woman's jacket along with a spent shell, a handkerchief and a dish towel bearing what police believed were blood stains. The weapon, jacket and other articles were sent to the Federal Bureau of Investigation's crime laboratory, as was a bullet taken from the victim's body.

Found On Road

Di Joseph said a police detail found the weapon on a road over which Mrs. Kravitz had admitted driving before her husband's body was found Friday.

Mrs. Kravitz is being held in Montgomery County Prison without bail for action by the Grand Jury in September. She was given a preliminary hearing on a homicide charge Monday.

3rd Hansen Quad Dies Early Today

MANKATO, Minn. (AP) — The third of the Hansen quadruplets, born here Saturday, died early Monday.

Attendants at Immanuel Hospital said Penelope died at 5:42 a.m. They said the surviving infant, Rebecca, remained in satisfactory condition.

The quadruplet daughters were born to Mrs. Gerald Hanse, 26, wife of a Mankato schoolteacher. Two of the babies, Christine and Deborah, died Saturday night. The babies weighed about two pounds each and were 2½ months premature.

Grace Daniels Will Head Women's Clubs

SEATTLE (AP) — Miss Grace Daniels, Kingston, Pa., was unopposed today for the presidency of the National Federation of Business and Professional Women's Clubs.

The Pennsylvania woman, now first vice president, will succeed Miss Hazel Palmer, Sedalia, Mo. Miss Daniels was nominated for the post Monday at the opening of the federation's 14th biennial convention.

Propose More Rooms At State Hospital

HARRISBURG (AP) — More private and semi-private rooms at the Scranton State Hospital were proposed Monday as an answer to protests over recent Public Welfare Department rulings.

Harry Shapiro, public welfare secretary, said that until the facilities are changed he will stand by the rulings.

HAIR NET CASE IS DISMISSED

PHILADELPHIA (AP) — Charges against two men indicted in connection with bringing hair nets into this country from Red China have been dismissed by U.S. District Court.

Judge C. William Kraft Jr. dismissed the charges Monday against Robert S. Bothe, 34, Oreland, Montgomery County, and Clyde W. Reynolds, Washington, D. C.

The two were indicted last March with a third man and a Philadelphia firm on charges of smuggling and trading with the enemy in connection with 3,000 gross of hair nets brought from Communist China.

Entering pleas of no defense to the charges were Harry B. Drake, 67, and the Charm Barettes firm of Philadelphia.

BOEHM DEFENDS STATE RULINGS

HARRISBURG (AP) — Dr. Charles H. Boehm, superintendent of public instruction, said Monday a state rule requiring running water in each elementary school classroom is practical.

He said it was intended to keep children with the classrooms at all times instead of going to other parts of the building for lavatory facilities.

The state official also said that the requirement is not enforced completely if there is a reasonable cause.

Boehm specifically answered the complaints of Dr. Alfred W. Beattie, Allegheny County superintendent of schools, who said the running water requirement resulted in excess plumbing costs in new school construction.

Beattie also objected to a requirement that all kindergarten rooms be at least 1,000 square feet. He said 850 square feet is adequate.

"We have approved a number of buildings in Allegheny County in which the rooms are below minimum size," Boehm said. "I do not know of any request that has come to me from Beattie that has been denied."

That leftover vanilla ice cream not firm enough to serve? Make milk shakes with it for the youngsters. Just beat one-third cup of the ice cream with three-quarters cup of milk, a tablespoon of honey and a dash of nutmeg. Serve at once.

MOTOR MAIDS

Taking The Kids On A Car Trip?

By Jeanne Smith, Safety Consultant

A vacation trip no longer is an opportunity for mom and dad to "get away from the kids" for a couple of weeks.

Today, vacationing by car is a family affair. Last summer, more than 28 million families traveled by automobile — a quarter of them covering between 2,500 and 5,000 miles.

One of the reasons vacationing with children is no longer a chore is the modern car itself. Comfortable and roomy, it provides ample room for naps when young travelers become bored or restless.

Car-Conditioned

What's more today's children are car-conditioned. They've been brought up in the automobile and have pretty well learned how to behave.

Just as a reminder, here are a few tried and true safety rules for vacationing with youngsters which should be discussed with them before leaving: (1) Never distract the driver. (2) Keep hands off the dashboard and steering wheel. (3) Sit well back on the car seat. (4) Never hang arms or head out of the window. (5) Don't rough or tumble in the car.

And here are some safety rules for the driver to observe: (1) Avoid sudden stops. (2) Make certain that youngsters never have pencils, lollipops or other sharp objects in their hands or mouths. (3) Never leave children alone in an automobile. (4) No matter how urgent, don't administer discipline until you have pulled off the road, and brought the car to a complete stop.

BOEHM DEFENDS STATE RULINGS

HARRISBURG (AP) — Dr. Charles H. Boehm, superintendent of public instruction, said Monday a state rule requiring running water in each elementary school classroom is practical.

He said it was intended to keep children with the classrooms at all times instead of going to other parts of the building for lavatory facilities.

The state official also said that the requirement is not enforced completely if there is a reasonable cause.

Boehm specifically answered the complaints of Dr. Alfred W. Beattie, Allegheny County superintendent of schools, who said the running water requirement resulted in excess plumbing costs in new school construction.

Beattie also objected to a requirement that all kindergarten rooms be at least 1,000 square feet. He said 850 square feet is adequate.

"We have approved a number of buildings in Allegheny County in which the rooms are below minimum size," Boehm said. "I do not know of any request that has come to me from Beattie that has been denied."

Forney Garage

Dates From '12

Dave Forney and Son started as National Garage Co., founded by David J. Forney, the present owner's father, in 1912. The first garage was behind Spangler's restaurant on Chambersburg St. where Grant's 5 and 10c Store now stands. Later a front was added to the garage when Spangler moved next door. Through the years many tourists stored cars at the garage. Many makes of cars were sold as well as repair work done.

In 1928 a second garage was erected as a storage garage and bus terminal on N. Washington St.

Upon the death of David J. Forney in 1936, his son, David C., took over. In 1953 the garage was sold to Grant's and a new one erected on Route 30 East. In 1955 this garage was sold to Richard Warren. Since May of 1957, Dave Forney and Son has operated a Shell station at 250 Buford Ave. dealing in new and used cars, complete shell service, general auto repair work, and the sale of Edsel and English Fords.

HAIR NET CASE IS DISMISSED

PHILADELPHIA (AP) — Charges against two men indicted in connection with bringing hair nets into this country from Red China have been dismissed by U.S. District Court.

Judge C. William Kraft Jr. dismissed the charges Monday against Robert S. Bothe, 34, Oreland, Montgomery County, and Clyde W. Reynolds, Washington, D. C.

MIXED PICTURE MARKS OUTLOOK FOR BUSINESS

By WALTER BREEDE JR.
AP Business News Writer
NEW YORK (AP) — Business ventured into the second half of 1958 last week with some lines up and others down.
In steel and autos it looked like a long, hot summer. Informed observers said a production pickup was a good two months away.
Closer to Main Street, things were booming for purveyors of sun tan lotion, soda pop, air conditioners, water skis, bathing suits, Bermuda shorts and beer.
Picture Not Glum
Nationwide, the summer retail picture was anything but glum. Dun & Bradstreet said total retail sales for the week ended Wednesday averaged only two percent lower than a year ago when a pre-fourth of July buying binge

broke all records.
Congressional approval of the Alaskan Statehood Bill opened up new vistas. Retailers toyed with the notion that Alaska as a full-fledged state may attract an influx of settlers and may eventually provide a new market with an almost unlimited potential.
Companies in the guided missiles field had cause for celebration this week. From the Pentagon came a string of fat contracts: \$48,867,850 to Douglas Aircraft for Nike-Hercules launchers; \$20,706,000 to Western Electric for Nike-Hercules and Nike-Ajax parts; \$2,500,000 to Hycom Manufacturing Co. for missile test sets for the Navy.
Space Ship Research
Less impressive dollarwise but with significant implications for the future was a million-dollar contract to General Dynamics Corp. It calls for preliminary research on a space ship that will be propelled by controlled nuclear explosions.
Construction is out of its recession phase. So says F. W. Dodge Corp. in announcing that construction contracts awarded in May

added up to \$3,402,375,000—highest ever recorded for a single month.
New layoffs were the rule in many of the nation's steel mills and auto factories this week. The auto industry shut down nearly 60 per cent of its assembly plants, reducing car output to about 34,000 units.
Model Changes
Model changeovers will disrupt the auto production pattern for about two months.
Briefly over the business scene: The American Collectors Assn. says consumers are paying their debts less promptly now than earlier this year. It attributes the tardiness to unemployment.... Business failures last week totaled 335, highest in more than a month.... Western Union has asked federal authorities to approve an increase in telegraph rates Aug. 1.... The New York Central says it will be compelled to halt passenger service into Manhattan's Grand Central terminal unless it gets tax relief.... Charles S. Thomas, former secretary of the Navy, was named president of Trans World Airlines.... Oasis Oil Co. — owned by the Ohio Oil

Abbottstown

ABBOTTSTOWN — Larry Baker, stationed at Pensacola, Fla., is at home with his parents. At the end of his furlough he will report to Washington, D. C.
Wayne Rodgers, stationed at Fort Jackson, S. C., is home on furlough with his parents, Mr. and Mrs. Earl Rodgers.
Miss Glenda Alwine, daughter of Mr. and Mrs. Earl Alwine, left for New York where she will join her

aunt, Miss Gladys Alwine. They will fly from New York for an extended trip in Europe.
Mr. and Mrs. John Richards and Mrs. Charles Crowl visited Clair Kline, Oakdale, Thursday.
Mr. and Mrs. Bernard Anthony and family, and Mr. and Mrs. Homer Hafer and family are spending their vacation at Rehoboth Beach, Md.
A regular meeting of the Abbottstown Fire Company was held recently, attended by about 20 members. R. Wildasin reported on the plan and progress of his committee in the annual carnival to be held July 17 through 19. Blaine Wildasin stated that bands have been booked for each evening as follows: Hanover Moose Band, Trojan Band of Bairs, and the Twilight Entertainers.
The president urged all members to be present several evenings before the carnival to set up stands. All were asked to solicit help for the carnival. Open fire barbecued chicken will be the feature Saturday evening. This operation will be headed by Adrian Miller.
The drivers for the next year were named and appointed by the new executive board as follows: A. Gruver, W. Rodgers, R. Lillich, H. Crawford, R. E. Hoke, Ronald Hoke, E. Becker, A. D. Leib, P. Breighner, C. Emig, Gerald Hoffheims, L. Spangler, W. Breighner, Ervin Bollinger and J. Shultz.
Members named as delegates to the county convention to be held at Bendersville, August 9, were S. S. Wolf, F. Wildasin, Isaiah Hoke and Oscar Gruver.
A detailed study of all delinquent members was made by the entire group as presented by R. Pagel, membership secretary. After a lengthy discussion it was agreed that about seven would be suspended for non-payment and that about twenty will be contacted personally, for dues collection. A final report and decision will be made at the next meeting. Chief Hafer reported there were two fires during the last month and that the new tank truck will be in service in another month.
A short meeting of the Firemen's Relief Association was held after the company meeting. The election of officers was held with the following results: A. D. Leib, president, F. W. Wildasin, secretary, and Harry Crawford, treasurer. The treasurers reported receipt on foreign fires insurance tax refunds from Berwick Twp. to the amount of \$807.00 and Abbottstown Borough to the amount of \$241. A payment for accident insurance or all members on the roll was made. This was due to the addition of an extra truck to the company fleet. The insurance bill was \$40 which was approved for payment.
A meeting of the Youth Club will be held at Camp Ernie Tuesday evening. President Milo Wolf desires all members be present to plan to accommodate the newly-organized Boy Scout troop in the busy camp schedule.
A consistory meeting will be held

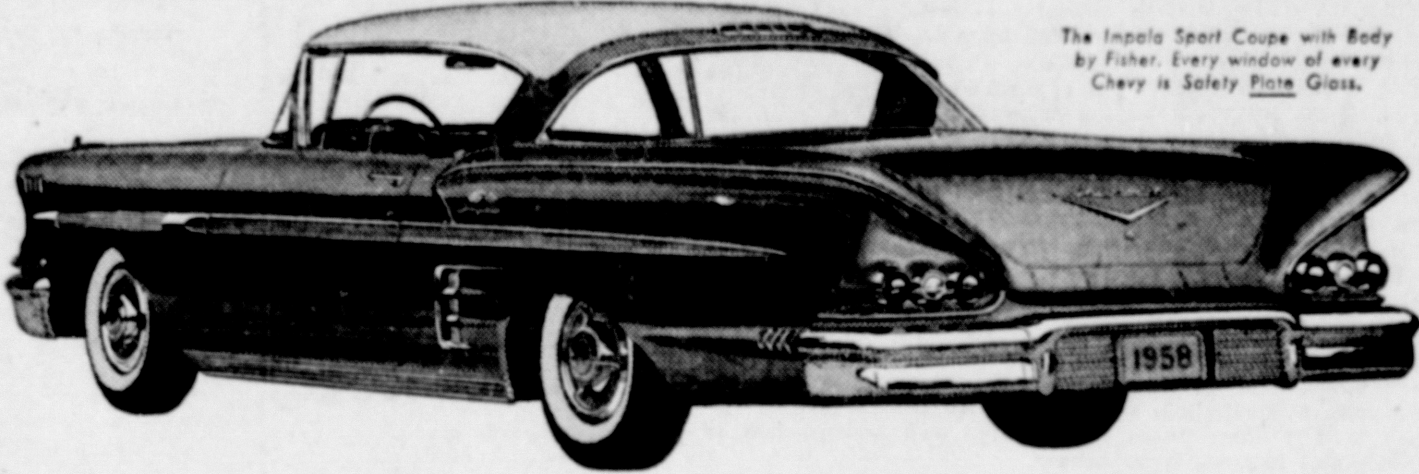

CANCER VICTIM HAS TRIBUTE IN STUDY REPORTS

By ALTON BLAESLEE
AP Science Writer
LONDON (AP) — Viruses, the scientist used to say in his soft, almost musical voice, viridies seem to be the basic cause of cancer.
And in a lifetime of research Dr. Francisco Duran-Reynals produced point after point of evidence that viruses could indeed be the culprit or at least the most important culprit.
He theorized viruses might sleep harmlessly in the body for years until something—age, injury or a change in the body's chemistry—suddenly awoke them to change the living cells and start cancer.
Posthumous Study
The Spanish-born American scientist was to have spoken to the seventh International Cancer Congress, which opened here today attended by nearly 2,000 scientists from 64 countries.
But Duran-Reynals died a few months ago, a victim of the very disease he fought.
A brief abstract printed Monday in the congress' proceedings details the latest work he had done at Yale University with virus experiments on mice.
Last Tribute
The abstract is partly his last tribute. But a bigger tribute comes from the fact that more and more scientists are swinging to the virus theory of cancer, a theory largely ignored during Duran-Reynals' lifetime.
Recent evidence in several countries is adding to the picture that viruses could be involved in at least some kinds of human cancers. If they are, perhaps vaccines or other controls against them can be devised.
Another main attack is aimed at producing anticancer drugs based on discoveries of the tiny but significant differences between cancer and healthy cells. The idea is to get the drugs to jam the machinery of the cancer cells.
This approach has led to drugs which have had some successes against a few kinds of cancer.
BEIRUT, Lebanon (AP) — Premier Sami Solh Monday produced a new list of rebel captives which he claimed bolstered Lebanon's charges that President Nasser's United Arab Republic is helping the Lebanese rebels. He appealed to "the world's conscience" to pin the blame for the eight-week-old rebellion on U.A.R. intervention.
In Emmanuel's United Church of Christ on Tuesday evening at 8 p.m.

World Briefs

OTTAWA (AP) — President Eisenhower and Prime Minister Diefenbaker in their talks opening here today may take historic steps to establish a direct channel between the law-making bodies of Canada and the United States.
Diefenbaker Sunday night expressed hope the talks will lead to the creation of a joint Canada-U.S. parliamentary committee.
TUNIS (AP) — Tunisia is getting ready to establish diplomatic relations with the Soviet Union and Communist China although its government plans to stay friendly with the West.
President Habib Bourguiba said in an interview that Tunisia would set up its first formal ties with the Communist bloc before the end of the year.
WINDSOR, Ont. (AP) — Thomas Boyce, a Windsor truck driver involved in an accident April 8 that took the lives of three Detroit residents, pulled a youth from the Detroit River Sunday night.
"That's one life I saved for the three I took," he said.
Boyce wasn't to blame for the accident. A car traveling at 80

miles an hour hurtled across the Ambassador Bridge and skidded 340 feet into the rear of his truck.
LONDON (AP) — Craig Dahlberg, 19-year-old heir to an American fortune, was back with his mother today after being missing a week.
Instead of admonishing the youth for running away, Mrs. Gilda Dahlberg expressed pride after hearing history.
"He has proved he's a man," said the widow of an American millionaire who's here to arrange production of stage plays.
PHNOM PENH, Cambodia (AP) — Cambodian Ambassador Sam Sary has been ordered from London for beating a nursemaid at the embassy so severely that she complained to the police.
In an open letter published in Cambodian newspapers Sunday, Sary claimed Cambodian law gave him the right to beat the girl, 22. She has since married a British attorney and is remaining in England.
SEOUL (AP) — Ten days of violent rain and floods in South Korea have claimed 47 lives and left 3,500 people homeless.

The Inopa Sport Coupe with Body by Fisher. Every window of safety. Chevy is Safety Plate Glass.

Here are 59 reasons why Chevy's '58's biggest seller!

58 reasons would have rounded things out nicer, we admit. But the extra reason is the most important of all—you! We invite you to look over all of these fast-selling features. But if you're like most people we know, you'll just plain like this new Chevy—and that'll be reason enough to want one!

18

power teams!
No other car offers such a wide choice! There are six sweet-running engines and four smooth-working transmissions. And you'll find each of the 18 power teams is available on every model!

14

Chevies priced lowest of the low-priced three. You'll find eight long, lively Chevrolet V8's and six even lower priced 6's that cost less than any comparable models in the low-priced three (based on list prices).

THE GENERAL STATE AUTHORITY
15th and Herr Streets
Harrisburg, Pennsylvania
NOTICE TO CONTRACTORS
Bid Date—Wednesday, July 9, 1958
Time of Opening—12:00 O'clock Noon, Eastern Standard Time

The General State Authority will receive at the above office sealed proposals, which will be publicly opened and read at above stated time for the following contracts:

Occupational, Rehabilitative and Recreational building, FEDERAL STATE HOSPITAL, WAYMART, WAYNE COUNTY, PENNSYLVANIA. Price and Dickey, Architects, 15 South Olive Street, Media, Pennsylvania.

No. Type Guaranty Deposit
505-6.1 Heating & \$2,000 \$10.00
505-6.2 Ventilating & \$2,000 \$10.00
505-6.3 Drainage \$2,000 \$10.00

Each proposal must be accompanied by a Certified Check, Bank Cashier's Check, Trust Company Treasurer's Check or by a Bid Bond, on the form furnished by the General State Authority, as a bid guaranty payable to the General State Authority, in the amount designated above.

Plans and specifications, contract documents and proposal forms may be examined by prospective bidders by applying to the General State Authority, and depositing per set the amount stated above, for each contract.

The General State Authority reserves the right to reject any or all bids and to accept or reject any part of any bid and to waive any defects or irregularities in bids.

A. J. CARUSO
Executive Director
The General State Authority

EXECUTOR'S NOTICE
In re: Estate of John H. Staley, late of the Borough of Littlestown, Adams County, Pennsylvania, deceased.
Letters Testamentary under the last will and testament of the above named decedent having been duly granted to the undersigned by the Register of Wills of Adams County, Pennsylvania, all persons indebted to said estate are requested to make immediate payment and those having claims to present the same without delay, to THE LITTLESTOWN NATIONAL BANK, and Executor

Taneytown

TANEYTOWN—Mrs. Marcia Ray, Bankard Terrace, with her daughters, Mrs. Harvey Robinson, Beaver, Pa., and Miss Stephanie Ray, Silver Springs, Md., and granddaughter, Marjorie Robinson, left Saturday for a week's stay at Fenwick Island, Del. Mr. Robinson will join them later in the week.

Mrs. William E. Culpeper, Va., is spending some time with A. R. Carpenter and sister, Miss Lisa Carpenter, Middleburg Rd. Mr. and Mrs. Paul Bankard and daughter, Elizabeth, Fairview Ave., are spending this week with Mr. Bankard's brother-in-law and sister, Mr. and Mrs. Lester Green, York.

Recent dinner guests at the home of Mr. and Mrs. Donald Boone, W. Baltimore St., were Mr. and Mrs. Michael Iacona, son Michael, daughters Rosemarie and Janice, Middleburg R. 1; Mr. and Mrs. Paul Halter and Mrs. Cora Cookson, Westminster.

Mrs. Mary Mohney, Hanover, is spending some time with her son and daughter-in-law, Mr. and Mrs. Harry Mohney, Uniontown Rd. They attended the Fowler reunion on Sunday at Old City, Pa.

Mr. and Mrs. A. D. Alexander, W. Baltimore St., and daughter, Miss Mary Louise Alexander, Arlington, Va., spent the holiday weekend with their son-in-law and

daughter, Mr. and Mrs. Harmon Bickley, Ann Arbor, Mich.

Mrs. Charles Campbell, Westminster, spent the weekend with her brother-in-law and sister, Mr. and Mrs. Vernon Crouse, Mill Ave.

Today Faye Clingan, Anita Jester, Kathy Jennings, Susan Ruffe and Diana Skiles will begin a two-week senior camping period at Camp Nawakwa. Monday, Wayne Wilson and Wayne Wilhide started the one-week junior camp.

Mr. and Mrs. William Sentz, Frederick St., returned home Saturday after a 10-day visit with Mr. and Mrs. John Hanshaw, Ashville, Ohio.

The Golden Rule Class will hold its monthly meeting this evening at 8:45 o'clock in the form of a picnic at the home of Mrs. Alice Reitsnyder, Kysville Rd.

Mr. and Mrs. Carroll Vaughn, son Dennis, daughter Linda, Cedarville, O., returned home Sunday after spending 10 days with Mr. Vaughn's parents, Mr. and Mrs. John Vaughn and family, Emmitsburg Rd.

Mrs. Harry Welty, Frederick St., is visiting her son-in-law and daughter, Mr. and Mrs. Raymo Pogle, New Windsor, Md.

The annual parsonage lawn meeting of the Trinity Mission Circle and the Trinity United Lutheran Church Women will be held July 23. This will be the only meeting of these groups this month.

and another wife MAROONED!

That's about the size of it, in a one-car family where Dad has to drive the car to work... "A second car," you think, "is strictly for millionaires." But on second thought — is it? Maybe right-price bank financing would enable you to throw your wife a life line; and what'll it cost you to find out?*

*Nothing, that's what: Come in for figure-facts!
